1. **Approval of Agenda:** Motion was made and seconded to approve the agenda. Agenda approved.

2. **Approval of Minutes:** Motion was made and seconded to approve the Minutes from June 2, 2021. Minutes approved.

3. **Introduction of Members:**

Individuals Present: Chairperson Charles Henson (Chief Probation Officer), James Berardi (Superintendent, Office of Education), Vickie Clark (Director, Sierra County Public Health & Social Services), J. Lon Cooper (Public Defender), Sharon Dryden (Supervisor), Sandra Groven (District Attorney), Lea Salas (Administrative Director, Behavioral Health), Michelle Anderson (Probation Specialist),

Absent: Michael Fisher (Sheriff), Katherine Hill (Clinical Director), Derrick Koch (Community Based Drug & Alcohol Program).

a. **Openings** There is one opening indicated in the current plan and there is now one more additional vacancy.

4. **Public Comment Opportunity:** No public present.

5. **Discussion/Action/Review of programs directed to youth that “have been demonstrated to be effective in reducing delinquency and addressing juvenile crime for any elements of response to juvenile crime and delinquency, including prevention, intervention, suppression, and incapacitation (30061(b)(4) GC):** Vickie informed the members she has access to Family First dollars to entertain \$375,000 that would cover a couple years of work. A Letter of Intent and a plan must be submitted by January 1, 2023 but she foresees conversations with this group about possibilities as it relates to all three levels of prevention of child abuse from primary to tertiary. She will bring this to the group at a later date. Vickie is interested in a park and rec program as discussed in the past. Sharon added that some programs had been discussed pre-COVID and she would

like to continue those discussions. Chuck agreed that those programs are evidence-based and fall under the purpose of this group. Lea said if data had been collected from the Wilderness Challenge it would have shown it was evidence-based. Vickie said there are some partners which should be brought into the conversation which include the U.S.F.S. Chuck added that he has been having conversations with the courts JJC group there was discussion of going before the Board of Supervisor's and asking them to put on a second hat as the Delinquency Prevention Commission which would open a lot of doors to fund through our pots of money toward local outreach. They could set up booths with resources at community events and be involved with the schools giving presentations and partner with Derrick.

6. Discussion/Action/Review of FY 2022-2023 JJCPA-YOBG Plan: Chuck gave a brief outline saying this is the first year that the plan was written out, normally it comes in the form of a long budget memo which goes before the group then to the Board of Supervisor's for approval. Chuck decided to take a different approach this year and wrote it out similar to the CCP plan so it looks more professional that can be sign attesting that it went before the committee, and it can be retained. The bulk of the format itself is pulled from the BSCC itself but is similar to what goes on their website as a public document each year. Chuck provided a quick review of the plan and noted it is a three part plan. With regards to membership, there are two vacancies. One is the community member at-large which was Docia Bostrom who resigned from the commission due to time constraints and other personal issues. Chuck acknowledged her years of service to this committee and she will be missed. The other position is a representative of a community based organization providing service to minors which was formerly held by Tammy Muldoon from the Family Resource Center. Chuck has been cautioned to not recruit somebody himself as chairperson, but he has reached out and informed someone of the vacant position and they expressed interest and were invited to the meeting but they are not present. He continued with a general explanation of the plan for the committee. Lea appreciates the effort and noted it is comprehensive and an easy read. There was no additional discussion or questions. There was a motion and a second to accept the plan with the modifications. The motion passed unanimously to accept the plan.

7. Modification of current FY 2021-2022 JJCPA Budget adding an additional \$11,000 to cover additional juvenile hall costs: There is a difficult case where the court handed down a 90-day sanction at \$150/day at Placer County Juvenile Hall. Juveniles do not earn good time/work time so it is a straight sentence. Almost all of the \$4500 from last years' budget has been used and this will leave approximately \$1500 cushion or 10 days between now and June 30th. Sharon does not see this as an option as there is an obligation to serve the juvenile. Chuck feels this is a reasonable ask as there is still \$42,000 in the fund and this expense is within the scope of the fund usage. Lea asked if this funding would be increased with more usage and Chuck responded that this is the base funding for a small county. There was a motion and a second to modify the budget to cover juvenile hall costs. The motion passed unanimously to modify the budget.

8. Adjournment: Meeting adjourned at 9:03 a.m.

**FY 2022-23 Community Corrections Partnership Survey
PART B**

Part B of the CCP Survey collects information about the allocation of Public Safety Realignment dollars.
For detailed guidance on how to complete Part B of the CCP Survey package, please refer to the [FY 2022-23 CCP Survey Data Reporting Guide](#).

The first question in this file, question 24, requests the name of the county for which the survey is being submitted.
Following the identification of the county, Part B is divided into two sections:

- Section 6: FY 2021-22 Public Safety Realignment Funding Allocation
- Section 7: FY 2022-23 Public Safety Realignment Funding Allocation

24. Please identify the county for which this portion of the survey is being submitted:
County Name: Sierra

SECTION 6: FY 2021-22 Public Safety Realignment Funding Allocation

Section 6 contains questions related to the allocation of FY 2021-22 Public Safety Realignment dollars. There are three (3) questions in this section.

When answering these questions, consider the funds allocated in FY 2021-22 and include any monies from 2020-21 growth funds and 2021-22 programmatic funding.

25. Of the total funds received in FY 2021-22, how did the CCP budget the allocation? Input the total allocation in the cell above the table. Within the table, identify where funds were allocated to, and include if the county used any carry-over funds (monies from previous annual CCP allocations) and/or if the county put any funds into a reserve fund (i.e., funds specifically set aside to be used when budget is disrupted or decreased so operations can continue). Please correct the information provided if there is a difference showing between the stated total allocation and the calculated amount (directly below the table). Differences will automatically display in **red**. **Please correct any cells displaying red prior to submitting.**

SECTION 7: FY 2022-23 Public Safety Realignment Funding Allocation

Section 7 asks three (3) questions related to the allocation of FY 2022-23 Public Safety Realignment funding.

When answering these questions, consider the total funds allocated in FY 2022-23 and include any monies from 2021-22 growth funds and 2022-23 programmatic funding.

28. Of the total funds received in FY 2022-23, how did the CCP budget the allocation? Input the total allocation in the cell above the table. Within the table, identify where funds were allocated to, and include if the county is using any carry-over funds (monies from previous annual CCP allocations) and/or if the county is putting any funds into a reserve fund (i.e., funds specifically set aside to be used when budget is disrupted or decreased so operations can continue). Please correct the information provided if there is a difference showing between the stated total allocation and the calculated amount (directly below the table). Differences will automatically display in red. **Please correct any cells displaying red prior to submitting.**
