Subject: Certification Assistance Fund

Dear Paul:

As you know, we had scheduled a retirement party for Dan Spiess. However, at Dan's request the retirement party was cancelled due to the fire activity in Northern California and the impact it had on our region in addition to the ongoing COVID concerns.

It was suggested that in lieu of a retirement party, development of a Certification Assistance Fund be established.

We are pleased to announce the Dan Spiess Certification Assistance Fund which has been established to reduce Emergency Medical Responders (EMRs) and Emergency Medical Technicians (EMTs) certification costs.

The goal is to collect enough donations to make this fund available over a two-year period. Since the certification cycle is two-years, the goal will be to provide help with new certification as well as recertifications.

Northern California EMS, Inc. is a 501(c)(3) nonprofit public benefit corporation and has contributed \$2,000.00 to this fund. We are hopeful you will consider a donation to this fund in honor of Dan's 45 years of service with this agency.

Please make checks payable to Northern California EMS, Inc. All donations are tax deductible.

We hope that you will join with us to support this fund.

Sincerely,
