This Agreement is entered into on July 1, 2016, by and between the County of Sierra doing business by and through the Sierra County Department of Health and Human Services (collectively referred to herein as the “County”) and Crestwood American River Residential Services, (referred to herein as the “Business Associate”)

Recitals

WHEREAS, County has heretofore or contemporaneously with the execution of this Agreement entered into an Agreement for Professional Services (the “Professional Services Agreement”) whereby Business Associate provides certain services to County and its clients and citizens which involves the access and use of certain information pertaining to individuals which information is required to be kept confidential and protected under the provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-101 (referred to herein as “HIPAA”) and the regulations adopted pursuant to the Act; and

WHEREAS, pursuant to the Professional Services Agreement County will make available and/or transfer to Business Associate, and/or Business Associate will generate or otherwise access confidential, personally identifiable health information in conjunction with services delivered on behalf of the County; and

WHEREAS, such information may be used or disclosed only in accordance with HIPAA and the applicable regulations [including without limitation, 45 CFR §§ 164.502(e); 164.504(e)] issued pursuant to the Health Insurance Portability and Accountability Act [42 USC §§ 1320 – 1320d-8] and the terms of this Agreement, or more stringent provisions of the law of the State of California.

NOW THEREFORE, In consideration of the obligations, benefits and compensation provided to Business Associate under the provisions of the Professional Services Agreement and in order to ensure that said Agreement remains valid and complies with HIPAA, the parties agree as follows:

1. As used herein and with reference to the obligations under HIPAA, Protected Health Information (“PHI”) shall mean individually identifiable health information including, without limitation, all information, data, documentation, and materials of any nature or form, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual. PHI shall include but not be limited to individually identifiable information received from or on behalf of the County as more fully defined in 45 CFR § 164.501, and any amendments thereto.
2. County shall provide to Business Associate a copy of the current Notice of Privacy Practices and any relevant information on changes to or agreed upon restrictions relating to legal permissions for the use or disclosure of PHI.
3. Business Associate agrees that it shall not receive, create, use or disclose PHI except as follows:
 - a. (1)solely for meeting its obligations as set forth in the Professional Services Agreement and any other agreements between the Parties evidencing their business relationship or
 - (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom Covered Entity is required to disclose such information or as otherwise permitted under this Agreement, the Arrangement Agreement (if consistent

with this Agreement and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by Covered Entity;

- b. If necessary for the proper management and administration of Business Associate or to carry out legal responsibilities of Business Associate, PHI may only be disclosed to another person/entity for such purposes if:
 - Disclosure is required by law; or
 - Where Business Associate obtains reasonable assurances from the person to whom disclosure is made that the PHI released will be held confidentially, and only may be used or further disclosed as required by law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached; and
 - Person agrees to notify Business Associate of any breaches of confidentiality;
 - c. To permit Business Associate to provide data aggregation services relating to the health care operations of the County.
4. Business Associate and County agree that neither of them will request, use or release more than the minimum amount of PHI necessary to accomplish the purpose of the use, disclosure or request.
5. Business Associate will establish and maintain appropriate safeguards to prevent any unauthorized use or disclosure of PHI.
6. Business Associate agrees that it shall immediately report to County any unauthorized uses/disclosures of which it becomes aware, and shall take all reasonable steps to mitigate the potentially harmful effects of such breach.
7. Business Associate hereby indemnifies County and agrees to hold County harmless from and against any and all losses, expense, damage or injury that County may sustain as a result of, or arising out of, Business Associate's, or its agent's or subAgreementor's, unauthorized use or disclosure of PHI.
8. Business Associate shall carry comprehensive general liability insurance.
9. Business Associate shall ensure that all of its subcontractors and agents are bound by the same restrictions and obligations contained herein whenever PHI is made accessible to such subcontractors or agents, and shall give prior notice to County of any subcontractors or agents who are to be given access to PHI.
10. Business Associate shall make all PHI and related information in its possession available as follows:
 - a. To the individual or his/her personal representative or to the County, to the extent necessary to permit County to fulfill any obligation to allow access for inspection and copying in accordance with the provisions of 45 CFR § 164.524 and any subsequent amendments to the regulations;
 - b. To the individual or his/her personal representative or to the County, to the extent necessary to permit County to fulfill any obligation to account for disclosures of PHI in accordance with 45 CFR § 164.528 and any subsequent amendments to the regulations.
11. Business Associate shall make PHI available to County to fulfill County's obligation to amend PHI and related information in accordance with 45 CFR §164.526, and shall, as directed by County, incorporate any amendments or related statements into the information held by Business Associate and any subcontractors or agents.

12. Business Associate agrees to make its internal practices, books and records relating to the use or disclosure of information received from or on behalf of County available to the U.S. Secretary of Health and Human Services, or the Secretary's designee, for purposes of determining compliance with the privacy

regulations, and any amendments thereto.

13. Upon termination of this Agreement, Business Associate agrees, at the option of County, to return or destroy all PHI created or received from or on behalf of County. Business Associate agrees that it will not retain any copies of PHI except as required by law. If PHI is destroyed, Business Associate agrees to provide County with appropriate documentation/certification evidencing such destruction. If return or destruction of all PHI, and all copies of PHI, is not feasible, Business Associate agrees to extend the protections of this Agreement to such information for as long as it is maintained. Termination of this Agreement shall not affect any of its provisions that, by wording or nature, are intended to remain effective and to continue in operation.

14. The PHI and any related information created or received from or on behalf of County is and shall remain the property of the County. Business Associate agrees that it acquires no title in or rights to the information, including any de-identified information.

15. Notwithstanding anything in this Agreement to the contrary, County shall have the right to immediately terminate the Professional Services Agreement or any other agreement between the parties if County determines that Business Associate has violated any material term of this Agreement. If County reasonably believes that Business Associate will violate a material term of this Agreement and, where practicable, County gives written notice to Business Associate of such belief within a reasonable time after forming such belief, and Business Associate fails to provide adequate written assurances to County that it will no breach the cited term of this Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then County shall have the right to immediately terminate the Professional Services Agreement or any other agreement between the parties. In the event of termination as described in this Paragraph, County shall have the right to contract for replacement service through another entity or provider, with Business Associate responsible for paying any difference in cost.

16. Notwithstanding any rights or remedies under this Agreement or provided by law, County retains all rights to seek injunctive relief to prevent or stop the unauthorized use or disclosure of PHI by Business Associate, any of its subcontractors or agents, or any third party who has received PHI from Business Associate.

17. This Agreement shall be binding on the parties and their successor, but neither party may assign the Agreement without the prior written consent of the other, which consent shall not be unreasonably withheld.

18. The obligations to safeguard the confidentiality and security of PHI imposed herein shall survive the termination of this Agreement.

19. Any ambiguities in this Agreement shall be resolved in favor of an interpretation that promotes compliance with HIPAA and regulations promulgated thereunder. The parties agree that any modifications to those laws shall modify the obligations of the parties hereunder without the need for formal amendment of the Agreement. Any other amendments to this Agreement shall not be effective without the written agreement of both parties.
