6. **BOARD OF SUPERVISORS**

6.A. Introduction/overview by Lindsay Fuchs, Plumas County Librarian regarding the Plumas-Sierra contract and current services being offered by the library stations. (CLERK OF THE BOARD)

Ms. Lindsay Fuchs addressed the Board and briefly reviewed the services provided at the four library stations and commented that the Plumas County Board of Supervisors has requested an overview of the contract for services which she will bring back before this Board in August. Ms. Fuchs also reviewed the reading programs in Loyalton and Downieville.

Supervisor Adams and Chair Schlefstein commented their appreciation of the services provided by the Plumas County Library.

6.B. Approval of letter to Sierra County’s Congressional delegation regarding community wildfire safety in western Sierra County. (SUPERVISOR ADAMS)

Supervisor Adams provided background on a meeting with the new Yuba District Ranger Lon Henderson and his concerns with Ranger Henderson’s answers with respect to decisions to base all fire suppression equipment the Forest Service has on the west side in Camptonville. Supervisor Adams also referred to the Director of Planning’s suggested amendments to the letter.

Comments were received by the Director of Planning with respect to his suggested edits to strengthen the letter in order to give a clear message to the County’s Congressional representatives. The Director also recommended requesting the CDF (California Department of Forestry and Fire) Unit Chief from the Yuba Nevada Placer Ranger Unit attend a future Board meeting and put the onerous of this issue squarely on the back of CDF as they defer their fire protection oversight to the Forest Service through a mutual aid agreement in Sierra County and he doesn't believe the Forest Service is fulfilling its obligation under the mutual aid agreement.

Comments were received by Supervisor Roen regarding Sierraville District Ranger Quentin Youngblood having sent two engines, one to the Yuba Pass and one to Downieville, two weeks ago when he heard of the shortage of coverage on the west side of the County.

Board discussion ensued.
Following discussion, the Board moved to authorize the Chair to approve and sign the final letter to Sierra County’s Congressional delegation regarding community wildfire safety in western Sierra County.
