BACKGROUND INFORMATION: A Free Tire Disposal Event (Residential Only) is scheduled for November 17, 18, 19 2018. This program has been managed successfully by the Environmental Services Joint Powers Authority (ESJPA) through the CalRecycle TA- Tire Grants. Passenger and light truck tires can be disposed of at all Sierra County transfer stations by all Sierra County residents. Sierra County residents can bring up to 9 tires (State Requirement) without rims. The Tire Grants that are managed by the ESJPA for Sierra County and other small counties who are ESJPA members discourage illegal disposal and stock pile of tires and are a benefit for the health and welfare of our communities. Recommendation: Encourage participation in the tire disposal event.
