DEPARTMENT: Department of Public Works and Transportation APPROVING PARTY: Tim H. Beals, Director PHONE NUMBER: 530-289-3201

AGENDA ITEM: Authorization to purchase Graco LineLazer 3900 Airless Linestriper from Asphalt Kingdom an amount not to exceed \$8,300.00.

SUPPORTIVE DOCUMENTS ATTACHED: Memo Resolution Agreement Other
Quote from Asphalt Kingdom

BACKGROUND INFORMATION: Line striping is a routine and necessary road maintenance item. This purchase will place the striper in the Sierra County inventory. This is an upgrade to the system that has been in place which involved paying an adjoining jurisdiction for the striping service. Numerous equipment options were reviewed and 5 quotations were received for the Graco Linelazer 3900 Airless Linestriper. The quotations range from \$7,669 to \$9,549 pre-tax. Recommendation is to purchase from Asphalt Kingdom at \$7,669 plus tax in a total amount not to exceed \$8,300.

The Graco V 3900 is a perfect line striping system for spraying parking lots, roads, city streets, bike paths, intersections and athletic fields - anywhere a one-gun striper won't do the job quickly enough. Painting curbs is a dream with this two-gun machine!

This line striper features the new EasyMark gun adjustment system: slide the gun off or on the front or back of the machine using the simple guide marking indicators (including peep hole adjustment checkers) and you'll get the perfect gun set up every time. Includes a Graco-exclusive G-clamp system with a dual nut adjustment.

Stenciling? Then you'll love the rear-mounted hose for easy hose management.

Graco's also created the DualComfort anti-vibration handlebar to reduce your fatigue: move the handle bars up and down, forward and backward to get a personalized fit for your machine.

Tired of guessing how much paint you have left or how many feet you have striped? The **Live Look Display** shows you every aspect of the job you're working on in real time!

The front wheel swivels so you can get right up to the curb or parking stop without stopping; great for curved lines, too! Get precise arcs and circles up to 3.5 inches wide.

A 120-CC Honda engine keeps this machine purring through **1.25 Gallons Per Minute** of paint. The trademark Endurance Paint Pump is an industry-best pump. And the Rear Gun Bar Holder gives you a stable mounting location for longer, straight lines.

Comes standard with:

- Flex Plus Linestriping Gun
- LineLazer SwitchTip and Guard for sharp lines
- Fifty feet of 1/4-inch hose
