Please describe: I am coordinator of Sierra County Child Care Council. I work with the Sierra County Child Abuse Council, as they are my fiscal agent. Although I am an employee, and do not vote on matters, I do attend their monthly meetings.

Do you belong to any community organizations?

I am a member of the following organizations: Child Care Council, Child Abuse Council, First 5 Sierra, Tobacco Coalition, Sierra City Library Station manager

What strengths will you bring to this Board?

As I am a member of many different boards, I can get the word out about the CAA. I'm also a liaison between the East side of the County and the West side. I attend meetings in both locations. Child care council represents families and children in our county, and I work hard to help families that may need services. I can help put families in touch with the services they might need.

Lassen-Plumas-Sierra Community Action Agency VISION AND MISSION STATEMENT

VISION STATEMENT:

The Lassen Plumas Sierra Community Action Agency (LPSCAA), in partnership with other like-minded organizations, envisions the development of strong, self-sufficient families and sustainable communities in rural northern California.

We believe that in the ideal community there would be little poverty and abundant equality. In other words, Lassen Plumas Sierra Community Action Agency's mission of assisting low income persons would not be necessary. Our vision is to be out of business.

MISSION STATEMENT:

Lassen Plumas Sierra Community Action Agency works to strengthen the tri-county communities' capabilities to reduce and eliminate poverty by actively engaging a broad network of organizations and individuals through countywide and regional collaborations that include low-income households, the general community, the business community, community-based organizations, and agency staff.
