NOTICE

PHASE FOUR – EMERGENCY WATER RESTRICTIONS SIERRA BROOKS WATER SYSTEM

Due to the Bear Fire emergency water restrictions are being declared for the Sierra Brooks – County Service Area 5, Zone 5A. ALL OUTDOOR WATERING IS SUSPENDED. Please conserve indoor use as much as possible throughout this Bear Fire emergency.

If you have any questions or need additional information, please contact the Department of Public Works at (530) 289-3201.

Sierra County Code §8.50.005 (D) Phase Four – Emergency. This is water conservation where it is determined by the General Manager that a critical water shortage exists or some other bona fide emergency condition exists that requires immediate and effective water conservation to maintain the maximum water levels necessary for public health and safety. During this phase, all phase one and phase two regulations will be in effect and the General Manager is authorized to post notices and implement and enforce additional outside water use restrictions, including prohibition on any outside water use during the term of the emergency condition. The General Manager will request ratification of any imposed additional regulations as well as ratification of continuing this phase of water conservation at the next regular meeting, or any special meeting, called by the Board of Directors. <https://sierra.county.codes/SCC/8.50.055>
