

Transportation services Are offered through the **Loyalton Senior Center**

These services are for all Sierra County residents, not just Seniors and Persons with Disabilities. Funding for the program is provided by the Sierra County Transportation Commission and Northern Sierra Air Quality Management District. We provide regular scheduled transportation on Fridays to Reno as well as as-needed transportation to anywhere in Sierra County, Portola, Quincy, Truckee, Reno and surrounding area and the Sacramento area.

Monthly recreational trips are planned throughout the year and are announced in the Senior Center's monthly newsletter.
