

Sierra County

Substance Use Disorders

Counseling & Recovery Services

For The Future of Your Recovery

~Our Mission Statement~

The mission of Sierra County Behavioral Health is to protect and improve the health and well-being of the individual, family, and community in Sierra County.

The following services are available to residents of Sierra County:

- * Outpatient individual counseling
- * Group counseling
- * Education pertaining to addiction and recovery
- * Substance abuse evaluations
- * Family Counseling
- * TB counseling, education/testing
- * HIV counseling, education/testing
- * Contracted residential and detox services
- * Case management services and referrals
- * PC1000 (drug diversion) program
- * Referrals for medically assisted treatment programs

Our Objective:

Clients participating in treatment will receive a level and quality of care that enables them to abstain from use during treatment, and to refrain from relapse, following discharge from treatment services.

Perinatal Services

Sierra County Department of Substance Use Disorders Treatment Programs provides priority services or arranges for the provision of the following services, as needed for your recovery if you meet one or more of the following criteria:

***Pregnant Women**

***Women with Dependent Children**

***Women who are Attempting to Regain Custody Of their Children**

Our treatment plan and care should address any unmet needs in the following areas:

- ❖ Primary medical care needs, including referral for prenatal care and, while you are receiving such services, child care;
- ❖ Primary pediatric care, including immunization, for your children;

- ❖ Gender specific substance abuse treatment and other therapeutic interventions, which may address issues of relationships, sexual and physical abuse and parenting, and child care while you are receiving these services;
- ❖ Therapeutic interventions for children in your custody,
- ❖ Case management and transportation to ensure that you and your children have access to services listed above.
