Chapter 1 - Probation Role and Authority

Chief Probation Officer

101.1 PURPOSE AND SCOPE

Chief Probation Officers employed within the State of California are required to meet specific requirements for appointment. This policy provides guidelines for the appointment of the Chief Probation Officer of the Sierra County Probation Department, who is required to exercise the powers and duties of the office as prescribed by state law (Government Code § 27771).

101.2 POLICY

It is the policy of the Sierra County Probation Department that the Chief Probation Officer meets the minimum standards for exercising the authority granted by law.

101.3 CHIEF PROBATION OFFICER REQUIREMENTS

The Chief Probation Officer of this department, as a condition of employment, shall be appointed and retained by the County juvenile justice commission (Government Code § 27770).

Policy Manual

102.1 PURPOSE AND SCOPE

The Sierra County Probation Department adopts the current Sierra County Policy Manual in its entirety. Policies specific to the probation department are meant to supplement, not replace current Sierra County Policy.

Subjects that are covered in county policy are not duplicated in this manual.

The purpose of this manual is to provide guidance for those situations that are not covered by county policy and are considered unique to probation specifically, or public safety officers generally.

The manual of the Sierra County Probation Department is hereby established and shall be referred to as the Policy Manual or the manual. The manual is a statement of the current policies, procedures, rules, and guidelines of this department. All members are to conform to the provisions of this manual.

All prior and existing manuals, orders, and regulations that conflict with this manual are rescinded, except to the extent that portions of existing manuals, orders, and other regulations that have not been included herein shall remain in effect where they do not conflict with the provisions of this manual.

102.2 POLICY

Except where otherwise expressly stated, the provisions of this manual shall be considered as guidelines. It is recognized that the work of law enforcement is not always predictable and that circumstances may arise that warrant departure from these guidelines. It is the intent of this manual to be viewed from an objective standard, taking into consideration the sound discretion entrusted to members of this department under the circumstances reasonably available at the time of any incident.

102.2.1 DISCLAIMER

The provisions contained in the Policy Manual are not intended to create an employment contract nor any employment rights or entitlements. The policies contained within this manual are for the internal use of the Sierra County Probation Department and shall not be construed to create a higher standard or duty of care for civil or criminal liability against the County, its officials, or department members. Violations of any provision of any policy contained within this manual shall only form the basis for administrative action, training, or discipline. The Sierra County Probation Department reserves the right to revise any policy content, in whole or in part.

102.3 AUTHORITY

The Chief Probation Officer shall be considered the ultimate authority for the content and adoption of the provisions of this manual and shall ensure compliance with all applicable federal, state, and local laws. The Chief Probation Officer or the authorized designee is authorized to issue

Policy Manual

Departmental Directives, which shall modify those provisions of the manual to which they pertain. Departmental Directives shall remain in effect until such time as they may be permanently incorporated into the manual.

102.4 DEFINITIONS

The following words and terms shall have these assigned meanings throughout the Policy Manual, unless it is apparent from the content that they have a different meaning:

SCPD - The Sierra County Probation Department.

Department - The Sierra County Probation Department.

Employee - Any person employed by the Department.

Manual - The Sierra County Probation Department Policy Manual.

May - Indicates a permissive, discretionary, or conditional action.

Member - Any person employed or appointed by the Sierra County Probation Department, including:

- Full- and part-time employees
- Volunteers

Deputy - Those employees of the Sierra County Probation Department who engage in the supervision of offenders.

On-duty - A member's status during the period when actually engaged in the performance of assigned duties.

Order - A written or verbal instruction issued by a superior.

POST - The Commission on Peace Officer Standards and Training.

Rank - The title of the classification held by an deputy.

Shall or will - Indicates a mandatory action.

Should - Indicates a generally required or expected action, absent a rational basis for failing to conform.

STC - Standards and Training for Corrections.

Supervisor - A person in a position of authority that may include directing the work of other members, the authority to adjust grievances, and responsibility for hiring, transfer, suspension, promotion, discharge, assignment, reward, or discipline of other department members. The supervisory exercise of authority may not be merely routine or clerical in nature, but requires the use of independent judgment.

Policy Manual

The term "supervisor" may also include any person (e.g., deputy-in-charge, lead, or senior worker) given responsibility for the direction of the work of others without regard to a formal job title, rank, or compensation.

When there is only one department member on-duty, that person may also be the supervisor, except when circumstances reasonably require the notification or involvement of the member's off-duty supervisor or an on-call supervisor.

102.5 ISSUING THE POLICY MANUAL

An electronic version of the Policy Manual will be made available to all members on the department network for viewing and printing. No changes shall be made to the manual without authorization from the Chief Probation Officer or the authorized designee.

Each member shall acknowledge that the member has been provided access to and has had the opportunity to review the Policy Manual and Departmental Directives. Members shall seek clarification as needed from an appropriate supervisor for any provisions that they do not fully understand.

102.6 PERIODIC REVIEW OF THE POLICY MANUAL

The Chief Probation Officer, or authorized designee, will ensure that the Policy Manual is periodically reviewed and updated as necessary.

102.7 REVISIONS TO POLICIES

All revisions to the Policy Manual will be provided to each member on or before the date the policy becomes effective. Each member will be required to acknowledge that the member has reviewed the revisions and shall seek clarification from an appropriate supervisor as needed.

Members are responsible for keeping abreast of all Policy Manual revisions.

Each Senior Deputy will ensure that members under the Senior Deputy's command are aware of any Policy Manual revision.

All department members suggesting revision of the contents of the Policy Manual shall forward their written suggestions to their Senior Deputy, who will consider the recommendations and forward them to the command staff as appropriate.

Chapter 2 - Organization and Administration

Organizational Structure and Responsibility

200.1 PURPOSE AND SCOPE

This policy establishes the organizational structure of the Department and defines general responsibilities of department members.

200.2 COMMAND PROTOCOL

200.2.1 SUCCESSION OF COMMAND

The Chief Probation Officer exercises command over all members of the Sierra County Probation Department. The order of command authority in the absence or unavailability of the Chief Probation Officer is:

- (a) Senior Deputy Probation Officer
- (b) Deputy Probation Officer
- (c) Office Manager

Emergency Plan

201.1 PURPOSE AND SCOPE

This policy clarifies the role of the Sierra County Probation Department and responsibilities of its members pertaining to large-scale emergencies and the State of California Emergency Plan.

201.2 POLICY

The Sierra County Probation Department will prepare for large-scale emergencies within and outside its jurisdiction through planning and cooperation with other agencies.

~~The Emergency Plan complies with the State of California's Emergency Services Act (Government Code § 8550 et seq.). This plan provides guidance for emergency operations within and outside its borders as may be required.~~

201.3 ACTIVATING THE EMERGENCY PLAN

The Emergency Plan can be activated in a number of ways. For the Sierra County Probation Department, the Chief Probation Officer or the highest-ranking on-duty deputy may activate the Emergency Plan in response to a major emergency.

Upon activation of the plan, the Chief Probation Officer or the authorized designee should contact the State Office of Emergency Services to assist with mutual aid response from local, state, and federal law enforcement agencies.

201.3.1 RECALL OF PERSONNEL

In the event that the Emergency Plan is activated, all employees of the Sierra County Probation Department are subject to immediate recall to service. Employees may also be subject to recall during extraordinary circumstances as deemed necessary by the Chief Probation Officer or the highest-ranking on-duty supervisor.

Failure to promptly respond to an order to report for duty may result in discipline.

201.4 TRAINING

The Department should provide annual training on the Emergency Plan for all supervisors and other appropriate personnel. All supervisors should familiarize themselves with the Emergency Plan and personnel responsibilities when the plan is implemented. Training should incorporate a full or partial exercise, tabletop, or management-level discussion.

Training

202.1 PURPOSE AND SCOPE

This policy establishes general guidelines for how training is to be identified, conducted, and documented (including basic, in-service, and outside training). This policy is not meant to address all specific training endeavors or identify every required training topic.

202.2 POLICY

The Department shall administer a training program that will meet the standards of federal, state, local, and the California POST, Board of State and Community Corrections (BSCC), or Standards & Training for Corrections (STC) training requirements. It is a priority of this department to provide continuing education and training for the professional growth and development of its members.

202.3 OBJECTIVES

The objectives of the training program are to:

- (a) Enhance the level of probation service to the public.
- (b) Increase the technical expertise and overall effectiveness of department members.
- (c) Provide for continued professional development of department members.
- (d) Ensure compliance with STC rules and regulations concerning probation training.

202.4 TRAINING MANAGER

The Chief Probation Officer is responsible for developing, reviewing, updating, and maintaining the department training plan so that required training is completed.

202.5 TRAINING ATTENDANCE

- (a) All members assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences should be limited to:
 1. Court appearances.
 2. Previously approved vacation or time off.
 3. Illness or medical leave.
 4. Physical limitations preventing the member's participation.
 5. Emergency situations or department necessity.
- (b) All members unable to attend training as scheduled shall notify their supervisors as soon as practicable, but no later than one hour prior to the start of training, and shall:
 1. Document the absence in a memorandum to the supervisor.
 2. Arrange through the supervisor or Training Manager to attend the required training on an alternate date.

Training

202.5 TRAINING RECORDS

The chief probation officer is responsible for the creation, filing, and storage of all training records. Training records shall be retained in accordance with the established records retention schedule.

Retiree Concealed Firearms

203.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the issuance, denial, suspension, or revocation of Sierra County Probation Department identification cards to qualified former or retired law enforcement officers under the Law Enforcement Officers Safety Act (LEOSA - 18 USC § 926C) and California law (Penal Code § 25455).

203.2 POLICY

It is the policy of the Sierra County Probation Department to provide identification cards to qualified former or retired deputies to facilitate the lawful carrying of concealed weapons by those individuals.

- a. LEOSA refers to the carrying of concealed weapons over state lines
- b. California law applies to the ability to carry concealed weapons solely within the state of California.

203.3 LEOSA

The Chief Probation Officer may issue an identification card for LEOSA purposes to any qualified former deputy of this department who (18 USC § 926C(c)):

- (a) Separated from service in good standing from this department as deputy.
- (b) Before such separation, had regular employment as a peace officer for an aggregate 10 years or more or, if employed as a peace officer for fewer than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.
- (c) Has not been disqualified for reasons related to mental health.
- (d) Has not entered into an agreement with this department in which the deputy acknowledges disqualification to receive a firearms qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

203.3.1 LEOSA CARD FORMAT

The LEOSA identification card should contain a photograph of the former deputy and identify him/her as having been employed as a deputy.

If the Sierra County Probation Department qualifies the former deputy, the LEOSA identification card or separate certification should indicate the date the former deputy was tested or otherwise found by the Department to meet the active-duty standards for qualification to carry a firearm.

203.3.2 AUTHORIZATION

Any qualified former peace officer, including a former deputy of this department, may carry a concealed firearm under 18 USC § 926C when:

 - 2. A certification, issued by either the state in which the person resides or by a certified firearms instructor who is qualified to conduct a firearms qualification test for active-duty peace officers within that state, indicating that the person has, within the past year, been tested or otherwise found to meet the standards established by the state or, if not applicable, the standards of any agency in that state.
- (b) Not under the influence of alcohol or another intoxicating or hallucinatory drug or substance.
- (c) Not prohibited by federal law from receiving a firearm.
- (d) Not in a location prohibited by California law or entity on private property if such prohibition is permitted by California law.

203.4 CALIFORNIA IDENTIFICATION CARD

The Chief Probation Officer shall issue an identification card with an endorsement to carry a concealed firearm to a person who (Penal Code § 26300):

- (a) Honorably retired following service as a full-time sworn deputy of this department who was authorized to, and did, carry a concealed firearm during the course and scope of his/her employment (Penal Code § 25455).
 - 1. Honorably retired includes all peace officers who have qualified for, and accepted, a service or disability retirement, however, it shall not include any deputy who retires in lieu of termination or who is retiring because of a psychological disability (Penal Code § 26305).
- (b) Honorably retired as a peace officer from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):
 - 1. The retiree's previous agency is no longer providing law enforcement services or the relevant government body is dissolved.
 - 2. This department is in possession of the retiree's complete personnel records or can verify the retiree's honorably retired status.
 - 3. The retiree is in compliance with all of the requirements of this department for the issuance of a Concealed Carry Weapon (CCW) Approved endorsement.
- (c) Was a qualified retired reserve officer who met the department requirements for a CCW Approved endorsement (Penal Code § 26300).

203.4.1 CALIFORNIA IDENTIFICATION CARD FORMAT

The card shall be 2 inches by 3 inches and minimally contain (Penal Code § 25460):

Retiree Concealed Firearms

- (a) Photograph of the retiree.
- (b) Retiree's name and date of birth.
- (c) Date of retirement.
- (d) Name and address of this department.
- (e) A stamped endorsement "CCW Approved" along with the date by which the endorsement must be renewed (not more than one year). In the case in which a CCW endorsement has been denied or revoked, the identification card shall be stamped "No CCW Privilege."

203.4.2 QUALIFIED RETIREES FROM INCORPORATED JURISDICTION

The Sierra County Probation Department shall provide an identification card with a CCW Approved endorsement to honorably retired peace officers from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):

- (a) The retiree's previous agency is no longer providing law enforcement services or the relevant government body is dissolved.
- (b) This department is in possession of the retiree's complete personnel record or can verify the retiree's honorably retired status.
- (c) The retiree is in compliance with all of the requirements of this department for the issuance of a CCW Approved endorsement.

203.5 FORMER DEPUTY RESPONSIBILITIES

- (a) A former deputy with a card issued under this policy shall immediately notify the Chief Probation Officer or authorized designee of an arrest or conviction in any jurisdiction, or that the individual is the subject of a court order, in accordance with the Reporting of Arrests, Convictions, and Court Orders Policy.
- (b) It is the sole responsibility of the retired officer to maintain proficiency with their weapon
- (c) It is the sole responsibility of the retired officer to abide by all local, state and federal laws and regulations as they relate to the carrying of concealed weapons.
- (d) The retired officer is strongly encouraged to qualify annually before a recognized law enforcement agency.
- (e) The retired officer may participate in regularly scheduled probation firearms qualifications, but must bring their own weapons and ammunition.
- (f) Should the retired officer elect to qualify at some other agency, it is their sole responsibility to provide copies of that documentation to the Sierra County Probation Department.

203.5.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former deputy shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both personal responsibility as a private person for

Retiree Concealed Firearms

all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.

- (b) Remain subject to all applicable department policies and federal, state, and local laws.
- (c) Demonstrate good judgment and character commensurate with carrying a loaded and concealed firearm.
- (d) Successfully pass an annual criminal history background check indicating that the individual is not prohibited by law from receiving or possessing a firearm.

203.6 DENIAL, SUSPENSION, OR REVOCATION

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended, or revoked, the former deputy may request a review by the Chief Probation Officer. The decision of the Chief Probation Officer is final.

203.6.1 DENIAL, SUSPENSION, OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement under Penal Code § 25470 for any deputy retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Senior Deputy when the conduct of a retired peace officer compromises public safety.

- (a) In the event that a CCW endorsement is initially denied, the retired deputy shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first-class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
 - 1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
 - 2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
 - 3. Failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the Department, one selected by the retiree or the retiree's employee organization and one selected jointly (Penal Code § 26320).
 - 1. The decision of such hearing board shall be binding on the Department and the retiree.

Retiree Concealed Firearms

2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender the identification card. The Department will then reissue a new identification card which shall be stamped "No CCW Privilege."
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Chief Probation Officer as soon as practicable. The Senior Deputy should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise the individual in writing of the following:
1. The retiree's concealed firearm CCW endorsement is immediately and temporarily suspended.
 2. The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
 3. The retiree will forfeit the right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
 4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Senior Deputy should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Senior Deputy may request that a law enforcement officer from that agency act as the agent of the Department to deliver the written notification.
 5. Notification of the temporary suspension should also be promptly mailed to the retiree via first-class mail, postage prepaid, return receipt requested.
 - (a) The Senior Deputy should document the investigation, the actions taken, and, if applicable, any notification made to the former member. The memo should be forwarded to the Chief Probation Officer.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, members authorized to use force are expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

Nothing in this policy is intended to limit members' lawful ability to defend themselves.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when persons allow themselves to be searched, escorted, handcuffed, or restrained.

300.2 POLICY

Deputies authorized to use force must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of duties.

The Sierra County Probation Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting deputies with the authority to use reasonable force in the performance of their duties requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any deputy present and observing another deputy using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. A deputy who observes another employee use force that exceeds the degree of force permitted by law shall promptly report these observations to a supervisor.

300.3 USE OF FORCE

Deputies authorized by the Chief Probation Officer to use force in arresting a person or preventing a person from escaping custody shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the deputy at the time of the event.

The reasonableness of force will be judged from the perspective of a reasonable deputy on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that deputies are often forced to make split-second decisions about the amount of force that reasonably

Use of Force

appears necessary in a particular situation with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation a deputy might encounter, deputies are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which deputies reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Deputies may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every encounter is to avoid or minimize injury, nothing in this policy requires or be exposed to possible physical injury before applying reasonable

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Deputies authorized by the Chief Probation Officer and California Penal Code § 830.5 may use reasonable force to effect an arrest, to prevent escape, or to overcome resistance (Penal Code § 835).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether a deputy has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to deputies or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the deputy at the time.
- (c) Deputy/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of available deputies vs. subjects).
- (d) The effects of drugs or alcohol.
- (e) Individual's mental state or capacity.
- (f) Proximity of weapons or dangerous improvised devices.
- (g) The degree to which the individual has been effectively restrained and the individual's ability to resist despite being restrained.
- (h) The availability of other options and their possible effectiveness.
- (i) Seriousness of the suspected offense or reason for contact with the individual.
- (j) Training and experience of the deputy.
- (k) Potential for injury to deputies, suspects, and others.

Use of Force

- (l) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the deputy.
- (m) The risk and reasonably foreseeable consequences of escape.
- (n) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (o) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the deputy or others.
- (p) Prior contacts with the individual or awareness of any propensity for violence.
- (q) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in arresting a physically or actively resisting individual. Deputies may only apply those pain compliance techniques for which they have successfully completed department-approved training. Deputies utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the deputy.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the deputy determines that compliance has been achieved.

300.3.4 USE OF FORCE TO SEIZE EVIDENCE

Authorized deputies may use reasonable force to lawfully seize evidence of a crime and to prevent its destruction.

In the instance when force is used to seize evidence, deputies should not intentionally use any technique that restricts blood flow to the head, restricts respiration, or creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Deputies are encouraged to use techniques and methods taught by the Sierra County Probation Department for this specific purpose.

300.3.5 USE OF FORCE TO PREVENT INGESTION OF EVIDENCE

Deputies are discouraged from using force solely to prevent a person from swallowing evidence or contraband. See the Medical Aid and Response Policy.

300.4 DEADLY FORCE APPLICATIONS

Use of deadly force by authorized members is justified in the following circumstances involving imminent threat or imminent risk (Penal Code § 196):

- (a) Deputies may use deadly force to protect themselves or others from what they reasonably believe would be an imminent threat of death or serious bodily injury.

Use of Force

- (b) An deputy may use deadly force to stop a fleeing subject when the deputy has probable cause to believe that the subject has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the deputy reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the subject is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the subject is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if a deputy reasonably believes that the subject has a weapon or is attempting to access one and intends to use it against the deputy or another person. An imminent danger may also exist if the subject is capable of causing serious bodily injury or death without a weapon, and the deputy believes the subject intends to do so.

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective. Deputies should move out of the path of an approaching vehicle instead of discharging their firearms at the vehicle or any of its occupants. A deputy should only discharge a firearm at a moving vehicle or its occupants when the deputy reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the deputy or others.

Deputies should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The deputy should articulate the factors perceived and why the deputy believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms as specified in department policy, procedure, or law.

300.5.1 NOTIFICATION TO SUPERVISORS

Supervisory notification shall be made as soon as practicable after the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable deputy to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the TASER device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.

Use of Force

- (h) An individual was struck or kicked.
- (i) An individual alleges any of the above has occurred.

300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Records Maintenance and Release Policy.

300.6 MEDICAL CONSIDERATIONS

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until medically assessed.

Based upon the deputy's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another deputy and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling deputy shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the deputy reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple deputies to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Deputies who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away (see the Medical Aid and Response Policy).

300.7 SUPERVISOR RESPONSIBILITIES

When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved deputies. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.

Use of Force

- (c) When possible, separately obtain a recorded interview with the individual upon whom force was applied. If this interview is conducted without the individual having voluntarily waived *Miranda* rights, the following shall apply:
 - 1. The content of the interview should not be summarized or included in any related criminal charges.
 - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
 - 1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
 - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

If a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.8 TRAINING

Deputies will receive periodic training on this policy and demonstrate their knowledge and understanding.

300.9 USE OF FORCE ANALYSIS

At least annually, the chief probation officer should prepare an analysis report on use of force incidents. The report should not contain the names of deputies, suspects, or case numbers, and should include:

- (a) Identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

Firearms

303.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance, and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized by law and the Chief Probation Officer to carry firearms.

303.2 POLICY

The Sierra County Probation Department may authorize and equip certain members with firearms for specified duties. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

303.3 AUTHORIZED FIREARMS, AMMUNITION, AND OTHER WEAPONS

Members may carry firearms consistent with any written authorization of the Chief Probation Officer identifying when a firearm may be carried and any limitations.

Authorized members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized range.

All other weapons not provided by the Department, including but not limited to edged weapons, chemical or electronic weapons, impact weapons, or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the Chief Probation Officer. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

303.3.1 HANDGUNS

The authorized department-issued handgun is the Chief- and Rangemaster-Approved model.

303.3.2 SHOTGUNS AND RIFLES

Generally, shotguns and rifles may be authorized for carrying in the performance of the following types of duties:

- Participation in a high-risk warrant service or fugitive-apprehension team
- Participation in cross-functional teams with members of local law enforcement (e.g., high-risk offender compliance teams)

Firearms

- Participation in specialized task force operations (e.g., drug task force operations, gang task force operations)
- Participation in a ready-response or security team
- Assignment as a specialized high-risk or apprehension officer working in that capacity

When not deployed, shotguns and rifles shall be properly secured consistent with department training in an approved locking weapons rack.

303.3.3 SHOTGUN/RIFLE DEPLOYMENT

Members should deploy a shotgun or rifle only in circumstances when the member can articulate a reasonable expectation that a shotgun or rifle may be needed. Members participating on a specialized team should refer to the Task Force Policy regarding authorization for specific operations.

Examples of some general guidelines for deployment of a shotgun or rifle may include but are not limited to:

- Situations when the member reasonably anticipates an armed encounter or an encounter with an individual wearing body armor.
- Situations when a member reasonably expects the need to meet or exceed an individual's firepower or may require long-range accuracy.
- When authorized or requested by a supervisor.

303.3.4 PERSONALLY OWNED DUTY FIREARMS

Members authorized by the Chief Probation Officer to carry a firearm in the performance of their duties who desire to carry a personally owned duty firearm must receive written approval from the Chief Probation Officer. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms.
- (b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
- (d) Members shall provide written notice of the make, model, color, serial number, and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

303.3.5 AUTHORIZED SECONDARY HANDGUN

Members authorized by the Chief Probation Officer to carry a firearm in the performance of their duties who desire to carry a secondary handgun must receive written approval from the Chief Probation Officer and are subject to the following restrictions:

Firearms

- (a) The handgun shall be in good working order and on the department list of approved firearms.
- (b) Only one secondary handgun may be carried at a time.
- (c) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the Department.
- (d) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge, or loss of physical control.
- (e) The handgun shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (f) Ammunition shall be the same as department issue. If the caliber of the handgun is other than department issue, the Chief Probation Officer or the authorized designee shall approve the ammunition.
- (g) Prior to carrying the secondary handgun, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the handgun functions properly.
- (h) Members shall provide written notice of the make, model, color, serial number, and caliber of a secondary handgun to the Rangemaster, who will maintain a list of the information.

303.3.6 AMMUNITION

Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Rangemaster when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

303.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

303.4.1 REPAIRS AND MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Firearms

Any repairs or modifications to the member's personally owned firearm shall be done at the member's expense and must be approved by the Rangemaster.

303.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

303.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

303.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

303.5 SAFE HANDLING, INSPECTION, AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
- (c) Members shall not clean, repair, load, or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not carry or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into a custodial facility when securing or processing an arrestee, but shall instead place all firearms in a secured location.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm except with approval of a supervisor.

Firearms

- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

303.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the department vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

303.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles, or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

303.5.3 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 16850; Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Deputies are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

Firearms

303.5.4 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or taken any combination thereof that would tend to adversely affect the member's senses or judgment.

303.6 FIREARMS TRAINING AND QUALIFICATION

All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. Members are encouraged to qualify with off-duty and secondary firearms. Training and qualifications must be on an approved range course (Penal Code § 830.5).

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations, including low-light shooting.

303.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status, or scheduling conflict, that member shall submit a memorandum to the immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for:
 1. Unauthorized range make-up.
 2. Failure to meet minimum standards or qualify after remedial training.

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

303.7 FIREARMS DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a report to the member's supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with the Senior Deputy or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.

Firearms

- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

303.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., presence of local law enforcement or animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

303.7.2 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

303.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Manager after each range date.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to the personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning, and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Manager documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided, and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep accurate records of all training shoots, qualifications, repairs, maintenance, or other records as directed by the Training Manager.

Firearms

303.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to deputies who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Deputies wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Deputies must carry their Sierra County Probation Department identification card, bearing the deputy's name, a full-face photograph, identification number, the deputy's signature, and the signature of the Chief Probation Officer or the official seal of the Department and must present this identification to airline officials when requested. The deputy should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Sierra County Probation Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the deputy's travel. If approved, TSA will send the Sierra County Probation Department an NLETS message containing a unique alphanumeric identifier. The deputy must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief Probation Officer authorizing armed travel may also accompany the deputy. The letter should outline the deputy's need to fly armed, detail the itinerary, and include that the deputy has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Deputies must have completed the mandated TSA security training covering deputies flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the deputy's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any deputy flying while armed should discreetly contact the flight crew prior to take-off and notify them of the deputy's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The deputy must keep the firearm concealed on the deputy's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Deputies should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.
- (j) Deputies shall not consume alcoholic beverages while aboard an aircraft or within eight hours prior to boarding an aircraft.

Handcuffing and Restraints

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

This policy does not address the handcuffing and restraint of juveniles appearing in court or those already detained in, or committed to, a local secure juvenile facility, camp, ranch, or forestry camp.

304.2 POLICY

The Sierra County Probation Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

304.3 USE OF RESTRAINTS

Only members who have successfully completed Sierra County Probation Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, deputies should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime or violation leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing in the front to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

304.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of deputies and others. When deciding whether to remove restraints from a detainee, deputies should continuously weigh the safety interests at hand against the continuing intrusion on the detainee.

304.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the deputy has a reasonable suspicion that the person may resist, attempt escape, injure herself or others, or damage property.

Handcuffing and Restraints

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, deputies, or others.

304.3.3 RESTRAINT OF JUVENILES

A juvenile younger than 14 years of age should not be restrained unless the juvenile is suspected of a dangerous felony or when the deputy reasonably suspects that the juvenile may resist, attempt escape, self-injure, injure the deputy, or damage property.

304.3.4 NOTIFICATIONS

Whenever a deputy transports a person in restraints other than handcuffs, the deputy shall inform the detention facility staff upon arrival at the facility that restraints were used. This notification should include information regarding any other circumstances the deputy reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the detention facility.

304.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department unless required by law, other policy, or facility regulations. Deputies should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, deputies should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, deputies should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

304.5 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon a person in custody when the deputy reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Handcuffing and Restraints

Deputies utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Deputies should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Deputies should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations when the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after use.

304.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, but while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

304.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, deputies should consider:

- (a) Whether the deputy or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from the person's own actions (e.g., hitting head against the interior of the agency vehicle, running away from the arresting deputy while handcuffed, kicking at objects or deputies).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at the windows of the vehicle).

304.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, deputies should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

Handcuffing and Restraints

- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the deputy arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be laid face-down for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by a deputy while in the leg restraint. The deputy should ensure that the person does not roll onto and remain prone in a face-down position.
- (e) The deputy should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by a deputy when requested by medical personnel. The transporting deputy should describe to medical personnel any unusual behaviors or other circumstances the deputy reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

304.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the deputy shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report. The deputy should include, as appropriate:

- (a) How handcuffs were applied (e.g., double locked and gapped).
- (b) The amount of time the person was restrained.
- (c) How the person was transported and the position of the person during transport.
- (d) Observations of the person's behavior and any signs of physiological problems.
- (e) Any known or suspected drug use or other medical problems.
- (f) Any complaint regarding restraints being too tight and how the complaint was resolved.

304.9 TRAINING

Subject to available resources, the Training Manager should ensure that deputies receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.

Handcuffing and Restraints

- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Control Devices

305.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

This policy does not address the application of a control device on a juvenile who has already been detained.

305.2 POLICY

In order to control individuals who are violent or who demonstrate the intent to be violent, the Chief Probation Officer may authorize deputies to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

305.3 ISSUING, CARRYING, AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief Probation Officer or the authorized designee.

Only those members who have been authorized by the Chief Probation Officer and who have successfully completed department-approved training on this policy and the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain, or arrest a person who is violent or who demonstrates the intent to be violent and using the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

305.4 RESPONSIBILITIES

305.4.1 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated, or expended control devices are properly disposed of, repaired, or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

305.4.2 USER RESPONSIBILITIES

All normal maintenance, charging, or cleaning shall remain the responsibility of personnel using the devices.

Any damaged, inoperative, outdated, or expended control devices, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition.

Control Devices

Documentation shall also be forwarded through the chain of command, when appropriate, explaining the cause of damage.

305.5 BATON GUIDELINES

The need to immediately control a subject must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys, and groin should not be intentionally targeted except when the deputy reasonably believes the subject poses an imminent threat of serious bodily injury or death to self or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Non-uniformed and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignments or at the direction of their supervisors.

305.6 OLEORESIN CAPSICUM GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual engaging in, or about to engage in, violent behavior. OC spray should not be used against individuals who do not reasonably appear to present a risk to the safety of department members or the public.

305.6.1 TREATMENT FOR EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those who complain of further severe effects shall be examined by appropriate medical personnel.

305.7 POST-APPLICATION NOTICE

Whenever OC has been introduced into a residence, building interior, vehicle, or other enclosed area, the owners or available occupants should be provided with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding how and when the notice was delivered and the individuals notified should be included in related reports.

305.8 TRAINING FOR CONTROL DEVICES

The Training Manager shall ensure that those members who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the member's training file.
- (c) Members who fail to demonstrate proficiency with the control device or knowledge of the Use of Force Policy will be provided remedial training. If a member cannot demonstrate proficiency with a control device or knowledge of the Use of Force Policy

Control Devices

after remedial training, the member will be restricted from carrying the control device and may be subject to discipline.

305.9 REPORTING USE OF CONTROL DEVICES

Any application of a control device shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Search and Seizure

306.1 PURPOSE AND SCOPE

Both the federal and state constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Sierra County Probation Department personnel to consider when dealing with search and seizure issues.

306.2 POLICY

It is the policy of the Sierra County Probation Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to deputies as guidance for the application of current law, local community standards, and prosecutorial considerations regarding specific search and seizure situations.

306.3 SEARCHES GENERALLY

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions to the rule that permit a warrantless search.

Examples of probation supervision activities that are exceptions to the general warrant requirement include but are not limited to searches pursuant to:

- Authorization under the terms or conditions of a person's release or supervision.
- Valid consent.
- Incident to a lawful arrest.
- Vehicle searches under certain circumstances.
- Exigent circumstances.

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and the member's familiarity with clearly established rights as determined by case law.

Whenever practicable, deputies are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Search and Seizure

306.4 SEARCH PROTOCOL

Although conditions will vary, and deputy safety and other exigencies must be considered in every search situation, these guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Deputies should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations, or access codes when a search of locked property is anticipated.
- (e) Whenever practicable, a search should not be conducted by a lone deputy. A cover deputy should be positioned to ensure safety and should not be involved in the search.
- (f) When the person to be searched is of the opposite sex as the searching deputy, a reasonable effort should be made to summon a deputy of the same sex as the subject to conduct the search. When it is not practicable to summon a deputy of the same sex as the subject, these guidelines should be followed:
 1. Another deputy or a supervisor should witness the search.
 2. The deputy should not search areas of the body covered by tight-fitting clothing, sheer clothing, or clothing that could not reasonably conceal a weapon.

306.5 DOCUMENTATION

Deputies are responsible for documenting any search and ensuring that any required reports are sufficient, including, at a minimum, documentation of:

- Reason for the search.
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys).
- What, if any, injuries or damage occurred.
- All steps taken to secure property.
- The results of the search, including a description of any property or contraband seized.
- If the person searched is the opposite sex, any efforts to summon a deputy of the same sex as the person being searched and the identification of any witness deputy.

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented, and that current legal requirements and department policy have been met.

Mandatory Reporting

307.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for abuse notification to the appropriate social services entities and local law enforcement in the case of encountered, reported, or suspected abuse.

This policy also addresses documentation specific to the discovery of abuse.

307.2 POLICY

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); willful harm or injury to a child or endangering the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it

307.3.3 EMERGENCY REMOVAL

A deputy may take temporary custody of a minor without a warrant when the deputy reasonably believes that the minor (Welfare and Institutions Code § 300; Welfare and Institutions Code § 305):

- (a) Is in immediate need of medical care.
- (b) Is in immediate danger of physical or sexual abuse.
- (c) Is in a physical environment that poses an immediate threat to the minor's health or safety.

Members of this department who are mandated reporters of elder or dependent adult abuse pursuant to Welfare and Institutions Code § 15630 shall notify the county adult protective services agency when the member reasonably suspects, has observed, or has knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the individual has experienced abuse.

For purposes of notification, a dependent adult is an individual between 18 and 64 years of age who has physical or mental limitations that restrict the ability to carry out normal activities or to protect the individual's rights, including but not limited to persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Welfare and Institutions Code § 15610.23).

Physical abuse includes any assault or sex crime (Welfare and Institutions Code § 15610.63). Financial abuse includes taking personal or real property by undue influence or intent to defraud (Welfare and Institutions Code § 15610.30).

Because additional notifications may also be required, depending on where the alleged abuse occurred, the supervisor is responsible for ensuring that proper notifications are made to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) (Welfare and Institutions Code § 15630).

307.4.2 NOTIFICATION PROCEDURE

Notification should occur as follows (Welfare and Institutions Code § 15630):

- (a) Notification shall be made immediately, or as soon as practicable, by telephone, fax, or electronic transmission.

Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights, or programs based upon disabilities.

312.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief Probation Officer shall delegate certain responsibilities to an ADA coordinator (28 CFR 35.107). The coordinator shall be appointed by and directly responsible to the Chief Probation Officer or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the County ADA coordinator regarding the Sierra County Probation Department's efforts to ensure equal access to services, programs, and activities.
- (b) Developing reports or new procedures or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs, and activities.

Communications with Persons with Disabilities

- (d) Ensuring that a list of qualified interpreter services is maintained and available to each member of the department. The list should include information regarding:
 - 1. Contact information.
 - 2. Availability.
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas indicating that auxiliary aids are available free of charge to individuals with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs, and activities.

312.4 FACTORS TO CONSIDER

Because the nature of any probation contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs, and activities. These factors may include but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. That an individual appears to be nodding in agreement does not always mean the individual completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the probation contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

312.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various probation encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

Communications with Persons with Disabilities

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length, and complexity of the involved communication.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, is hard of hearing, or has impaired speech must be handcuffed while in the custody of the Sierra County Probation Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

312.6 TYPES OF ASSISTANCE AVAILABLE

Sierra County Probation Department members shall never refuse an available service to an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall it require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to disabled individuals through a variety of services.

Disabled individuals may choose to accept department-provided auxiliary aids or services, or they may choose to provide their own.

Department-provided auxiliary aids or services may include but are not limited to the assistance methods described in this policy.

312.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form (e.g., a personnel complaint form) or provide forms with enlarged print.

Communications with Persons with Disabilities

312.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee) if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to probation matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide an interpreter (28 CFR 35.160).

312.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking, attorney contacts), members must also provide those who are deaf, are hard of hearing, or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

312.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members

Communications with Persons with Disabilities

must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

312.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect/offender/person on supervised release).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

312.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

312.13 FIELD SUPERVISION

Field supervision will generally include such contacts as home, work, or school visits, street contacts, community encounters, and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity, and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information, and the meaning

Communications with Persons with Disabilities

or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the deputy is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, deputies should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

312.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, is hard of hearing, or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device, or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

312.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, are hard of hearing, or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that the individual understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided by a qualified interpreter or by providing a written *Miranda* warning card to suspects who are deaf or hard of hearing.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible.

312.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting deputy shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual prefers a different auxiliary aid or service

Communications with Persons with Disabilities

or the deputy reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, are hard of hearing, have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, to protect the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information should be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

312.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the ADA coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this department.

312.17 TRAINING

To ensure that all members who may have contact with disabled individuals are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms, and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Manager shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including those who are deaf, are hard of hearing, have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all training provided and will retain a copy in each member's training file in accordance with the established records retention schedule.

312.17.1 TTY OR TDD TRAINING

Training should be mandatory for all members who have contact with probationers who are deaf, are hard of hearing, or have impaired speech. Refresher training should occur every six months. Such training and information should include:

Sierra County Probation

Probation-Specific Manual - 11/5/2018

Communications with Persons with Disabilities

- (a) ASL syntax and accepted abbreviations.
- (b) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls and using proper syntax, abbreviations, and protocol when responding to TTY or TDD calls.
- (c) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Child and Dependent Adult Safety

313.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult abuse investigation. These are covered in the Mandatory Reporting Policy.

313.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Sierra County Probation Department will endeavor to create a strong, cooperative relationship with local, state, and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

313.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, deputies should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases, this may be obvious, such as when children or dependent adults are present. However, deputies should inquire if the offender has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Deputies should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider asking witnesses, neighbors, friends, and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, deputies should consider reasonable alternatives to arresting a parent, guardian, or caregiver in the presence of a child or dependent adult.

Whenever it is safe to do so, deputies should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the deputy at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that appropriate care will be provided.

313.3.1 AFTER AN ARREST

Whenever an arrest is made, the deputy should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Child and Dependent Adult Safety

Deputies should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases, the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Deputies should consider allowing the person to use the person's cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence that it would not be in the dependent person's best interest (e.g., signs of abuse, drug use, unsafe environment), deputies should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends who the person knows and trusts because familiarity with surroundings and consideration for comfort, emotional state, and safety are important.
 - 1. Except when a court order exists limiting contact, the deputy should attempt to locate and place children or dependent adults with the non-arrested parent, guardian, or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Adult Protective Services, if appropriate.
- (e) Notify the field supervisor or Senior Deputy of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting deputy should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

313.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee should be allowed to make telephone calls to arrange for the care of any child or dependent adult.

If an arrestee is unable to arrange for the care of any child or dependent adult through this process, or circumstances prevent them from making such arrangements (e.g., their behavior prevents reasonable accommodations for making necessary calls), a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county, or state services agency.

Child and Dependent Adult Safety

313.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs(e.g.,medical,mental health)
 - 5. How, where, and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults(e.g.,schools,relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether the person reasonably appears able to engage in self-care
 - 5. Disposition or placement information if the person is unable to engage in self-care

313.3.4 SUPPORT AND COUNSELING REFERRAL

If the handling deputies believe the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate, or a crisis response telephone number, they should provide appropriate referral information.

313.3.5 SELF-SURRENDER

If a deputy allows a offender to self-surrender, the deputy should, where practicable, allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate.

313.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling deputy should contact the appropriate welfare service or other department-approved social service agency to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the Department facility, transported in a marked law enforcement vehicle, or taken into formal protective custody.

Child and Dependent Adult Safety

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

313.5 TRAINING

The Training Manager is responsible for ensuring that all members of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian, or caregiver is arrested.

Service Animals

314.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

314.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks to benefit an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size, and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

314.2 POLICY

It is the policy of the Sierra County Probation Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

314.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness, or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms, or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.

Service Animals

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

314.4 MEMBER RESPONSIBILITIES

Service animals assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Sierra County Probation Department affords to all members of the public (28 CFR 35.136).

314.4.1 INQUIRY

If it is apparent or if a member knows that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about the disability nor should the person be asked to provide any license, certification, or identification card for the service animal.

314.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting, or otherwise initiating contact with a service animal.

314.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, a deputy may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually, and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

Off-Duty Law Enforcement Actions

315.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for deputies of the Sierra County Probation Department with respect to taking law enforcement action while off-duty.

315.2 POLICY

It is the policy of the Sierra County Probation Department that deputies generally should not exercise their authority while off-duty. Deputies are not expected to place themselves in unreasonable peril and should first consider recording the activity for the purpose of completing a report to be forwarded at a later time. However, any deputy with authority to arrest who becomes aware of an incident or circumstance that the deputy reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage or loss, may take reasonable action to minimize or eliminate the threat.

315.3 DECISION TO INTERVENE

There is no legal requirement for off-duty probation deputies to exercise their authority. Deputies should wait for on-duty uniformed law enforcement personnel to arrive instead of immediately taking action and, while waiting, gather as much information as possible. However, if a deputy does take action, the deputy must evaluate whether the action is necessary or desirable, and should take into consideration:

- (a) The potential to be misidentified by other law enforcement personnel.
- (b) The potential to be misidentified by members of the public, who may be armed or who may take action.
- (c) The tactical disadvantage of being alone and the possibility of multiple or hidden suspects.
- (d) Limited off-duty firearms capabilities and ammunition.
- (e) The inability to communicate with responding law enforcement personnel.
- (f) The lack of equipment, such as body armor, handcuffs, or control devices.
- (g) Unfamiliarity with the surroundings, including escape routes.
- (h) The potential for increased risk to bystanders by confronting a suspect or taking action.

315.3.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the deputy should attempt to call or have someone else call 9-1-1 to request immediate assistance and give the dispatcher a description of the off-duty probation deputy for broadcast to responding law enforcement personnel.

Whenever practicable, the deputy should loudly and repeatedly identify as a deputy with the Sierra County Probation Department until acknowledged. Official identification should also be displayed when possible.

Off-Duty Law Enforcement Actions

315.4 NON-DEPUTY RESPONSIBILITIES

Members who are not deputies should not become involved in any law enforcement action while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

315.4.1 INCIDENTS OF PERSONAL INTEREST

Department members should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, members should call the responsible law enforcement agency to handle the matter.

315.5 REPORTING

If prior notification to the appropriate local law enforcement agency is not reasonably possible before taking action, the deputy shall notify the agency as soon as reasonably practicable. Deputies shall cooperate fully with the agency having jurisdiction by providing statements or reports as requested or as appropriate.

Deputies shall notify a supervisor regarding any law enforcement action taken as a probation deputy while off-duty. The supervisor may respond to the location.

The supervisor shall determine whether a crime report or an administrative report should be completed by the involved deputy.

Discriminatory Harassment

316.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

316.2 POLICY

The Sierra County Probation Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits, and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights and privileges it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

316.3 DEFINITIONS

Definitions related to this policy include:

316.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on the actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments, crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

Discriminatory Harassment

316.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because that person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

316.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly as a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

316.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and the California Fair Employment and Housing Council guidelines.
- (b) Bona fide requests or demands by a supervisor that a member improve work quality or output, that the member report to the job site on time, that the member comply with CityCounty or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

316.4 RESPONSIBILITIES

This policy applies to all department members, who shall follow the intent of these guidelines in a manner that reflects department policy, professional law enforcement standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct, or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to an immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief Probation Officer, the Chief Probation Officer, or the Presiding Judge.

Any members who believe, in good faith, that they have been discriminated against, harassed, or subjected to retaliation, or who have observed harassment, discrimination, or retaliation, are

Discriminatory Harassment

encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with a resolution as stated below.

316.4.1 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor,, the Chief Probation Officer,, or the California Department of Fair Employment and Housing (DFEH) for further information, direction, or clarification (Government Code § 12950).

316.4.2 SUPERVISOR RESPONSIBILITIES

404.3 RESPONSIBILITIES

The Chief Probation Officer or the authorized designee should develop and maintain procedures for the administration of drug and alcohol tests, including but not limited to:

- (a) Criteria for identifying offenders subject to random, scheduled, and for cause testing. The criteria should include consideration of:
 1. Conditions of supervision.
 2. Offender factors such as history, current use, and behavior.
 3. Drug and alcohol assessments.
 4. Risk and needs assessments.
 5. Deputy observations.
 6. Third-party information, where confirmed if necessary.
- (b) Types of unauthorized substances tested.
- (c) Specimen collection and testing procedures, including:
 1. Identification of approved testing locations.
 2. Approved testing methods.
 3. Compliance with the department's exposure control plan and any applicable occupational safety requirements. (See the Communicable Diseases Policy.)

Drug and Alcohol Testing

4. Supervision of the offender being tested during the collection of a urine specimen by deputies of the same sex as the offender being tested, or of the same sex with which the offender identifies.
 5. Use of approved testing equipment or devices.
 6. Collection of all specimens in an area free of agents or adulterants to avoid cross contamination or dilution of specimens.
 7. Security procedures to prevent tampering with a specimen.
 8. Establishment of methods to verify that the person appearing for testing is the offender subject to testing.
 9. Establishment of processes, including time frames, for a offender to submit a specimen once a specimen has been requested.
- (d) Procedures for documenting the handling of specimens from the point of collection to disposal (chain of custody).

404.3.1 RESPONSIBILITIES

The Chief Probation Officer or the authorized designee should work with community-based service providers (e.g., drug and/or alcohol treatment facilities) to develop procedures for notifying the supervising deputy when a offender submits a positive, adulterated, or diluted specimen, or refuses to submit a specimen to the community provider. Those procedures should include but not be limited to:

- (a) The time frame in which the provider must notify the supervising deputy (e.g., immediately for high-risk offenders).
- (b) The type of communication required (e.g., email, phone).
- (c) The immediate action taken by the provider in response to the specimen, if any.
- (d) Preservation and documentation of the specimen and test results, confirmation testing, or other actions on the part of the provider; and chain of custody for the specimen and results, including any materials used in the collection and analysis of the specimen.

The Chief Probation Officer should establish any other required minimum data elements that are to be included in drug treatment progress reports from the community-based service providers (Penal Code § 1210.1).

404.3.2 NOTIFICATIONS

The supervising deputy shall notify the drug treatment facility of a court order requiring drug testing within seven days of receiving the order. A copy of the offender's treatment progress reports, received from the drug treatment facility, should be provided to the court every 90 days, or as the court directs (Penal Code § 1210.1).

Drug and Alcohol Testing

404.4 COLLECTION AND TESTING GENERALLY

Members who have been trained in department procedures for collecting specimens may collect specimens consistent with the offender's case management plan, a court order, the random screening protocol, or as otherwise specified in department procedure.

404.4.1 RESPONSIVE ACTION

When a offender admits to the use of an unauthorized substance, refuses to submit a specimen when required, tests positive for an unauthorized substance, or provides an adulterated or diluted specimen, the supervising deputy should consider whether:

- (a) Confirmation testing is appropriate.
- (b) The failure or refusal may be a violation of the conditions of supervision and take further action pursuant to the Violations Policy.
- (c) With supervisor approval, modification to the conditions of supervision, including referral for further assessment to determine the need for outpatient or inpatient drug treatment services, would be appropriate and proceed pursuant to the Modification of Conditions of Supervision Policy.
- (d) A reassessment would be appropriate as provided in the Risk and Needs Assessments Policy.
- (e) Deputies may choose to handle a violation of conditions of supervision in an informal manner, in consideration of each person's individual needs, as long as the action complies with court mandates.

If a offender tests positive, admits use, or refuses to provide a sample and the deputy reasonably suspects the offender arrived at the testing location or intends to leave the testing location by operation of a motor vehicle while impaired, the deputy should proceed according to the Violations Policy.

404.4.2 CONFIRMATION TESTS

Supervising deputies should perform testing of a offender despite an admission of use.

When a specimen tests positive or is adulterated or diluted, regardless of any admission of use, reasonable efforts should be made to confirm whether the result occurred during the use of an authorized or prescribed medication or is the result of the use of a prohibited substance. This may include:

- (a) Administration of additional on-site screening.
- (b) Verification of medical prescriptions or medical marijuana identification card if use is approved by the court or conditions of the offender's supervision.
- (c) Submission of an appropriate specimen, following the established chain of custody, to an approved toxicology laboratory for confirmation testing.

404.5 TRAINING

Deputies should receive training on this policy and related procedures.

Modification of Conditions of Supervision

405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide general guidance for the modification of conditions of supervision.

405.2 POLICY

It is the policy of this department that deputies will communicate with the courts and the offender to modify conditions of supervision.

405.3 APPROVALS

Deputies should not modify conditions of supervision without court approval unless the court has expressly delegated the authority to do so to the deputy or Sierra County Probation Department.

If court approval is not required and the modification would decrease the intensity of supervision, deputies should obtain supervisor approval prior to the modification.

405.4 MODIFICATIONS

When an deputy determines modification of a offender's conditions of supervision may be appropriate, the deputy should within a reasonable time:

- Identify the proposed modification and document the reason(s) for the proposed modification.
- Notify the offender of the proposed modification and ask whether the offender will agree to the modification.
- If the offender is a minor, proceed with the Modification Hearing subsection (even if the offender agrees to the modification).

An agreement by the offender to the modification should be in writing and witnessed by a supervisor and a third-party deputy or staff member.

405.4.1 MODIFICATION WITHOUT HEARING

If the offender agrees to the modification and the court has expressly authorized modifications without a hearing, the deputy should (Penal Code § 1203.2; Penal Code § 3455):

- (a) Obtain a written waiver of the hearing from the offender.
- (b) Submit to the court a copy of the modification along with the rationale for the modification and the offender's agreement and waiver of hearing.

Prior to submission of court documents, the deputy shall notify the offender of the right to an attorney, and if indigent, the right to a court-appointed attorney (Penal Code § 1203.2). If a offender waives the right to an attorney, the deputy should obtain a signature from the individual on the written waiver. If the offender consults with an attorney and thereafter agrees to the

Modification of Conditions of Supervision

modification and waiver of personal appearance at the hearing, the deputy should obtain a signature from the attorney as to the agreement (Penal Code § 1203.2; Penal Code § 3455).

405.4.2 MODIFICATION HEARING

If the offender does not waive a court hearing or a hearing is required under the circumstances, the deputy should:

- (a) Arrange to have a court date set.
- (b) Prepare or assist in preparing any documents required by the court (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 778).
- (c) Notify the offender of the hearing date.
 1. Notice should be in writing signed by the offender and the method of notice, or reason why notice was not given, should be documented.
 2. Deputies filing a petition to juvenile court to modify or set aside a condition of probation should serve a copy of the petition on the District Attorney, the minor's attorney of record, or, if there is no counsel of record, to minor and the parents or guardians (Welfare and Institutions Code § 778; Welfare and Institutions Code § 776).

405.5 CASE MANAGEMENT PLAN

Deputies should review any resulting modifications with the offender.

The case management plan should be modified as appropriate. See the Supervision of Offenders Policy.

405.6 DOCUMENTATION

Documents associated with modifications of conditions of supervision, including any waivers and approvals, should be filed in the offender's case file and retained in accordance with the Records Maintenance and Release Policy.

Violations

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for responding to and reporting violations of conditions of supervision.

406.2 POLICY

It is the policy of this department to respond to potential violation behavior with due diligence.

406.3 INVESTIGATIONS

Deputies should begin an investigation into reported or suspected violation behavior within a reasonable time. Investigations into possible violations involving behavior reasonably believed to implicate a specific threat to public safety or to the safety of the offender or another person should be given priority.

Suspected violations that may constitute additional criminal behavior should be documented sufficiently for presentation to outside agencies, such as local law enforcement for follow-up or the District Attorney for filing of additional charges. See the Report Preparation Policy.

All investigations should be documented, including whether the case was submitted to the court and/or the District Attorney and any reasons it was not.

406.4 PROCESSING VIOLATIONS

If as a result of an investigation, the deputy reasonably believes violation proceedings are appropriate, the deputy should make reasonable efforts to bring the matter before the court as soon as reasonably practicable.

406.4.1 REQUIRED VIOLATION REPORTING

Deputies shall report any violation or breach of conditions imposed by the court to both the court that appointed the deputy and the court that released the offender, if different (Penal Code § 1203.7; Penal Code § 1203.12).

Deputies who receive written notification that a offender has been imprisoned for another offense shall submit a report to the court that released the offender not later than 30 days after receiving notification of the imprisonment. Deputies who otherwise discover that a offender is incarcerated on another offense should make reasonable efforts to notify the releasing court of the information discovered (Penal Code § 1203.2a).

406.4.2 DISCRETIONARY VIOLATION REPORTING

Deputies should consult with a supervisor in cases where they reasonably believe that despite violation behavior compliance with conditions may be achieved without court intervention. If modification of conditions is appropriate, deputies should proceed in accordance with the Modification of Conditions of Supervision Policy.

Violations

Deputies who determine that intermediate sanctions are not appropriate for an individual who violated conditions of supervision on post-release community supervision (PRCS) pursuant to Penal Code § 3450 et seq. should submit a petition to the court to revoke or terminate PRCS, if appropriate, or proceed with the Modifications of Conditions of Supervision Policy (Penal Code § 3455).

406.4.3 FLASH INCARCERATION

Deputies shall obtain supervisor approval prior to the imposition of flash incarceration. Deputies shall notify the court, sheriff's office, District Attorney, and public defender as soon as practicable once a decision has been made to impose flash incarceration on a offender (Penal Code § 1203.35). If offender does not agree to accept a recommended period of flash incarceration, the deputy should report the violation to the court, if appropriate, or proceed with the Modification of Conditions of Supervision Policy, if applicable (Penal Code § 1203.35).

406.4.4 ADDITIONAL REQUIREMENTS FOR INDIVIDUALS ON POST-RELEASE COMMUNITY SUPERVISION

Officers should investigate suspected violation behavior of individuals on PRCS pursuant to Penal Code § 3450 et seq. and process violations per the Investigations and Processing Violations sections of this policy.

Deputies who have a reasonable belief that an individual on PRCS has violated a condition of supervision should obtain supervisor approval prior to the implementation of flash incarceration (Penal Code § 3454).

If flash incarceration or another intermediate sanction is not appropriate, the deputy should submit a petition to the court to revoke or terminate PRCS, if applicable, or proceed with the Modification of Conditions of Supervision Policy. The petition shall include a written report that contains the terms and conditions of PRCS, the circumstances of the violation, the history of the violator, and any recommendations (Penal Code § 3455). If a petition is submitted to the court, the deputy should proceed with the Service of Documents, Notice to the District Attorney, Evidence Disclosure, and Notifications sections in this policy. If an arrest is appropriate, the deputy should proceed with the Arrests section of this policy.

406.5 ARRESTS

Deputies who reasonably believe that an arrest is appropriate based on violation behavior should take steps to initiate the arrest (i.e., by contacting local law enforcement, if appropriate under the circumstances; by obtaining an arrest warrant) within the scope of their authority and without unreasonable delay (Penal Code § 1203.2; Penal Code § 3455; Welfare and Institutions Code § 625). See the Probation Authority Policy.

If a deputy has a reasonable belief that an immediate arrest is warranted (e.g., the violation behavior implicates a specific threat (such as an intoxicated offender close to operating a vehicle), abscondence is likely, the arrest is required by state law), the deputy should initiate a warrantless arrest if legally permitted under the circumstances.

Violations

If an arrest warrant is issued for the violation, the deputies should request assistance from local law enforcement to serve the warrant, if appropriate.

406.6 SERVICE OF DOCUMENTS

Regardless of whether an arrest is made, the deputy shall serve a copy of any petition filed with the court on the offender or the attorney for the offender, if known (Penal Code § 1203.2). The deputy should also serve a copy of the violation report on the offender or the offender's attorney, if known.

A copy of the petition to revoke probation and/or violation report should be served personally on the offender. If personal service cannot reasonably be made, service should be made by certified mail, return receipt requested.

If a deputy reasonably believes that service may pose an unreasonable risk, the deputy should request local law enforcement assistance.

406.6.1 NOTICE TO THE DISTRICT ATTORNEY

Deputies shall provide a copy of the petition to revoke probation to the District Attorney (Penal Code § 1203.2). The copy should be provided as soon as practicable after filing the petition. The method of notification (e.g., personally, by certified mail) and the date should be documented.

406.6.2 EVIDENCE DISCLOSURE

Evidence that the deputy intends to be used at a violation hearing should be disclosed prior to the hearing to the District Attorney. Information that is confidential or protected may have disclosure limitations and should be approved by a supervisor and/or the court prior to disclosure.

406.6.3 SUPPLEMENTAL PETITIONS IN JUVENILE COURT

Deputies filing a supplemental petition to juvenile court shall serve notice of the date, time, and place of a Welfare and Institutions Code § 777 hearing to the minor's parents, foster parents, guardians, or the relatives providing care to the minor in the manner required by Welfare and Institutions Code § 658 or Welfare and Institutions Code § 660, as applicable (Welfare and Institutions Code § 777).

406.7 NOTIFICATIONS

Deputies who initiate violation proceedings against offenders should consider whether notification should be made to a third party or the victim of the offense for which the offender is on supervision. See the Victim and Witness Assistance Policy.

Subpoenas and Court Appearances

407.1 PURPOSE AND SCOPE

This policy establishes the guidelines for department members who must appear in court. It will allow the Sierra County Probation Department to cover any related work absences and keep the Department informed about relevant legal matters.

407.2 POLICY

Sierra County Probation Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

407.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the deputy or by delivery of two copies of the subpoena to the deputy's supervisor or other authorized department agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to a deputy to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

- (a) The supervisor or authorized individual will be unable to deliver a copy of the subpoena to the named deputy within sufficient time for the named deputy to comply with the subpoena.
- (b) It is less than five working days prior to the date listed for an appearance and the supervisor or authorized individual is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines it is not possible to deliver a copy of the subpoena to the named deputy within sufficient time for the named deputy to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

407.3.1 SPECIAL NOTIFICATION REQUIREMENTS

Any member who is subpoenaed to testify, agrees to testify, or provides information on behalf or at the request of any party other than the County Counsel or the prosecutor shall notify the member's immediate supervisor without delay regarding:

- (a) Any civil case where the County or one of its members, as a result of their official capacity, is a party.

Subpoenas and Court Appearances

- (b) Any civil case where any other city, county, state, or federal unit of government or a member of any such unit of government, as a result of their official capacity, is a party.
- (c) Any criminal proceeding where the member is called to testify or provide information on behalf of the defense.
- (d) Any civil action stemming from the member's on-duty activity or because of their association with the Sierra County Probation Department.
- (e) Any personnel or disciplinary matter when called to testify or to provide information by a government entity other than the Sierra County Probation Department.

The supervisor will then notify the Chief Probation Officer and the appropriate prosecuting attorney as may be indicated by the case. The Chief Probation Officer should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

407.3.2 CIVIL SUBPOENA

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current collective bargaining agreement or memorandum of understanding.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

407.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

407.4 FAILURE TO APPEAR

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency.

407.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes location during the day, the member shall notify the designated department member of how the member can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

407.6 COURTROOM PROTOCOL

When appearing in court, members shall:

Subpoenas and Court Appearances

- (a) Be punctual and prepared to proceed immediately with the case for which they are scheduled to appear.
- (b) Dress in the department uniform or business attire.
- (c) Observe all rules of the court in which they are appearing and remain alert to changes in the assigned courtroom where their matter is to be heard.

407.6.1 TESTIMONY

Before the date of testifying, the subpoenaed member shall request a copy of relevant reports and become familiar with the content in order to be prepared for court. The member should also contact the prosecuting attorney regarding testimony and evidence that might be needed in court.

407.6.2 EVIDENCE

When a member is directed by a subpoena to appear in court with evidence or the prosecuting attorney requests evidence that is available to the member, that member should:

- (a) Notify the Sierra County Sheriff's Office promptly after receiving the subpoena that the specified evidence is needed for court, and verify that the evidence is readily available.
- (b) Verify whether the evidence will be analyzed by the time of the court appearance, if applicable, and advise the prosecutor of any delay.
- (c) Check with the prosecuting attorney on a timely basis if in doubt about what items or materials to bring to court.
- (d) Notify the prosecuting attorney on a timely basis in the event that evidence has been lost, stolen, or misplaced, or if previously undisclosed information about the evidence has become available.
- (e) Comply with provisions of the Property Policy regarding checking out the evidence and transferring custody of the evidence to the prosecutor or the court, whichever is appropriate.

407.7 OVERTIME APPEARANCES

When a member appears in court on off-duty time, the member will be compensated in accordance with the current collective bargaining agreement or memorandum of understanding.

staff sexual abusers from contact with any offender pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted (28 CFR 115.266).

Biased-Based Supervision

411.1 PURPOSE AND SCOPE

This policy provides guidance to Sierra County Probation Department members that affirms the County's commitment to supervision that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in probation activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, and partnerships).

411.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based supervision - An inappropriate reliance on actual or perceived characteristics, such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics), as the basis for providing differing supervision services or enforcement of court orders.

411.2 POLICY

The Sierra County Probation Department is committed to providing supervision services to the community with due regard for the racial, cultural, or other differences of those served. It is the policy of this department to provide probation services and to enforce the law and conditions set by the court equally, fairly, objectively, and without discrimination toward any individual or group.

411.3 BIAS-BASED SUPERVISION PROHIBITED

Bias-based supervision is strictly prohibited.

However, nothing in this policy is intended to prohibit a deputy from considering protected characteristics in combination with credible, timely, and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns, or specific schemes.

411.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform their duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based supervision to a supervisor. Members should, when reasonable to do so, intervene to prevent any bias-based actions by another member.

411.4.1 REASON FOR CONTACT

Deputies contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

Biased-Based Supervision

To the extent that written documentation would otherwise be completed (e.g., arrest report), the involved deputy should include those facts giving rise to the contact.

Except for required data-collection forms or methods, nothing in this policy shall require any deputy to document a contact that would not otherwise require reporting.

411.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved deputy and their supervisor in a timely manner.
 - 1. Supervisors should document these discussions in the prescribed manner.
- (b) Supervisors should periodically review Mobile Audio/Video (MAV) recordings, portable audio/video recordings, Mobile Data Computer (MDC) data, and any other available resource used to document contact between deputies, offenders, and the public to ensure compliance with this policy.
 - 1. Supervisors should document these periodic reviews.
 - 2. Recordings or data that capture a potential instance of bias-based supervision should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based supervision.

411.6 STATE REPORTING

411.7 ADMINISTRATION

The Chief Probation Officer or authorized designee should review the efforts of the Department to provide fair and objective supervision and submit an annual report, including public concerns and complaints, to the District Attorney. The annual report should not contain any identifying information about any specific complaint, member of the public, or deputy. It should be reviewed by the Chief Probation Officer to identify any changes in training or operations that should be made to improve service.

411.8 TRAINING

Training on fair and objective supervision and review of this policy should be conducted as directed by the Training Manager.

Chapter 5 - Field and Special Operations

Crime Scene Integrity and Investigation

500.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding the discovery of a crime or crime scene by department members and any corresponding investigation of a crime.

This policy is intended to address criminal investigations of new crimes or crime scenes, not specific violations of an offender's terms of probation. See the Violations Policy.

500.2 POLICY

It is the policy of this department to secure the safety of the public and the preservation of crime scenes, when reasonably practicable, until relieved by local law enforcement, a supervisor, or other designated person. It is also the policy of this department to cooperate with local law enforcement in the investigation of newly discovered crimes as set forth in this policy.

500.3 INITIAL CONSIDERATIONS

Deputies who become aware of a crime or crime scene, including one that may involve offenders under the supervision of the Department, should contact the appropriate local law enforcement agency as soon as practicable.

If the crime involves a offender under supervision by the Department, the deputy should coordinate investigative responsibilities and share relevant information with the responding local law enforcement agency.

A deputy who reasonably believes that an individual present during the commission of a crime or at a crime scene is under probation supervision by another deputy or other department should take reasonable steps to notify the individual's supervising deputy or the associated department to coordinate any necessary investigative responsibilities.

500.3.1 RESPONSE

Deputies who encounter or who are first to arrive at a crime scene should:

- (a) Contact local law enforcement.
- (b) Contact other local agencies (e.g., emergency medical services, fire) and request additional assistance and resources, if appropriate.
- (c) Notify a supervisor.
- (d) When reasonably practicable, provide for the general safety of those within the immediate area by mitigating, reducing, or eliminating threats or dangers.
- (e) Evacuate the location safely as required or appropriate.
- (f) Identify potential witnesses.

Crime Scene Integrity and Investigation

500.4 ARRESTS

A deputy at the location of a crime or crime scene should not initiate an arrest unless the deputy has a reasonable belief that an immediate arrest is appropriate and warranted to prevent imminent harm to others and only if legally permitted under the circumstances. Additional guidance regarding deputy arrest authority under California law is provided in the Probation Authority Policy.

Circumstances involving domestic violence or the crime of possession of medical marijuana may require exceptional handling under California law.

500.4.1 ARRESTS AND INVESTIGATIONS INVOLVING DOMESTIC VIOLENCE

Absent extenuating circumstances involving an imminent threat of death or bodily injury to the deputy or another person, deputies who have probable cause to believe that an offense involving domestic violence has occurred within their presence should request response by the appropriate local law enforcement agency.

This should be considered even if the deputy has arrest authority under California law. However, if the deputy is authorized or required to take enforcement action, the deputy shall take steps to reasonably ensure that appropriate action is taken, including an arrest when there is probable cause to do so. In such case, any decision not to arrest shall be made by the deputy's supervisor.

Deputies shall also take steps to reasonably ensure any other mandatory action related to domestic violence is accomplished. This may include mandates related but not limited to the following:

- (a) Required victim notifications or assistance.
- (b) The service of court orders.
- (c) Seizure of firearms or other deadly weapons in accordance with Penal Code § 18250 if the incident involved threats of bodily harm or physical assault and the firearm or weapon is discovered in plain view or pursuant to consent or other lawful search.

500.4.2 ARRESTS AND INVESTIGATIONS INVOLVING THE USE OF MEDICAL MARIJUANA

Deputies shall not arrest a cardholder or designated primary caregiver in possession of an identification card solely for the crime of possession, transportation, delivery, or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person possesses marijuana, but not for personal medical purposes.

Deputies should refer to the Violations Policy when a offender alleges possession or use of marijuana for medicinal purposes and the offender's terms of supervision do not allow for medicinal use or possession.

Crime Scene Integrity and Investigation

500.5 EVIDENCE

Deputies should not conduct searches beyond the scope of their authority. Evidence discovered at a crime scene and that pertains to a deputy's investigation of a probation violation should be documented and preserved as soon as practicable in accordance with the Search and Seizure Policy.

Deputies who discover evidence that does not relate to a probation violation should defer to local law enforcement personnel for collection.

500.6 REPORTS

Reports should include adequate investigative information and reference to all evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in a related criminal case, as well as information that may adversely affect the credibility of a witness. If a deputy learns of potentially incriminating or exculpatory information any time after submission of a report, the deputy should prepare and submit a supplemental report documenting such information as soon as practicable.

Deputies should proceed with the Violations Policy when the investigation involves a violation of probation conditions.

500.6.1 DISCLOSURE OF REPORTS

Upon completion, reports, including any supplemental reports, should be transmitted to the prosecutor's office and to any other agency to whom the original report was sent (e.g., local law enforcement agency). If information is believed to be privileged or confidential (e.g., informant or protected information), release should be approved by a supervisor prior to disclosure.

Disclosure of protected information in this context may be subject to the Records Maintenance and Release and Protected Information policies. See the Violations Policy, regarding information disclosure as part of a probation violation hearing.

500.7 RECORDS

Reports created in relation to a crime or crime scene investigation should be retained in accordance with the Records Maintenance and Release Policy.

Hazardous Material Response

501.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to department members and the public. This policy outlines the factors that members should consider when they encounter hazardous material, including the reporting of exposures and supervisor responsibilities.

501.1.1 DEFINITIONS

Definitions related to this policy include:

Hazardous material - A substance that by its nature, containment, or reactivity has the capability of inflicting harm during exposure; is characterized as being toxic, corrosive, flammable, reactive, an irritant, or a strong sensitizer; and thereby poses a threat to health when improperly managed.

501.2 POLICY

It is the policy of the Sierra County Probation Department to immediately contact the appropriate local emergency services to respond to hazardous material emergencies in order to protect the safety of offenders, the public, and those members who may be exposed to such incidents.

501.3 HAZARDOUS MATERIAL EXPOSURE

Members may encounter situations involving suspected hazardous materials, such as a chemical spill in the workplace. When members come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond to and mitigate most incidents involving hazardous materials and biohazards.

Members should not perform tasks or use equipment without proper training. Deputies present at a hazardous material incident may require decontamination before they are allowed to leave the scene and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

501.4 CONSIDERATIONS

These steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potentially hazardous material from a safe distance.
- (b) Notify appropriate supervisors, the appropriate fire department and hazardous response units, and local law enforcement.
 1. Provide weather conditions, wind direction, a suggested safe approach route, and any other information pertinent to responder safety.
- (c) Wear personal protective equipment (PPE), as available and as trained, being cognizant that some hazardous material can be inhaled.

Hazardous Material Response

- (d) Remain upwind, uphill, and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.
- (e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:
 - 1. Placards or use of an emergency response guidebook.
 - 2. Driver's statements or shipping documents from the person transporting the material.
 - 3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
 - (a) The type of material.
 - (b) How to secure and contain the material.
 - (c) Any other information to protect the safety of those present, the community, and the environment.
- (f) Provide first aid to injured parties if it can be done safely and without contamination.
- (g) Make reasonable efforts to secure the scene to prevent access from unauthorized individuals and to protect and identify any evidence.
- (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.
- (i) Establish a decontamination area when needed.

501.5 REPORTING EXPOSURE

Department members who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an incident report that shall be forwarded via chain of command to the Chief Probation Officer as soon as practicable. If the affected member is unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused by exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report as applicable.

501.5.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that a member has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.

Sierra County Probation

Probation-Specific Manual - 11/5/2018

Hazardous Material Response

To ensure the safety of members, PPE is available from supervisors. PPE not maintained by this department may be available through the appropriate fire department or emergency response team.

Hostage and Barricade Incidents

502.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where deputies have legal cause to contact, detain, or arrest a person, and the person refuses to submit to the lawful requests of the deputies by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that deputies encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

502.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:

- Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- Unlawfully held against the person's will under threat or actual use of force.

502.2 POLICY

It is the policy of the Sierra County Probation Department to address hostage and barricade situations by immediately contacting local law enforcement.

502.3 COMMUNICATION

When circumstances permit, initial responding deputies should try to establish and maintain lines of communication with a barricaded person or hostage-taker. The focus of communication should be to stabilize the situation while awaiting local law enforcement.

502.4 CONSIDERATIONS

Deputies should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

Deputies should immediately contact local law enforcement when it is determined that a hostage or barricade situation exists.

The handling deputy should brief the arriving local law enforcement officers of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

Hostage and Barricade Incidents

502.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, deputies handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting local law enforcement, specialized personnel, and trained negotiators.

502.4.2 HOSTAGE SITUATION

Deputies presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of local law enforcement, specialized personnel, and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that deputies react quickly to developing or changing threats.

502.5 RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, establish a proper chain of command, and assume the role of Incident Supervisor until properly relieved by local law enforcement.

502.6 REPORTING

Unless otherwise relieved by a supervisor, the handling deputy at the scene is responsible for completion of an incident report.

Response to Bomb Threat Calls

503.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Sierra County Probation Department in their initial response to incidents involving explosives or explosive devices, explosion/bombing incidents, or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

503.2 POLICY

It is the policy of the Sierra County Probation Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

503.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement, and alleged detonation time of the device and should immediately contact the appropriate local law enforcement agency to convey the information.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

503.4 SIERRA COUNTY PROBATION DEPARTMENT FACILITY

If the bomb threat is against the department facility, the member who received the threat should immediately contact the appropriate local law enforcement agency and notify the supervisor as soon as practicable. The supervisor, in coordination with local law enforcement, will direct and assign deputies as required for coordinating a general building search or evacuation of the department, as deemed appropriate.

503.5 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the County that is not the property of this department, assistance to the other entity may be provided as the supervisor deems appropriate once the appropriate local law enforcement agency has been notified of the threat.

503.6 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, local law enforcement and the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

Response to Bomb Threat Calls

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to local law enforcement and the military police or other military security responsible for the installation.

503.7 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the CityCounty of County, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting law enforcement assistance at the facility.
- (f) Whether any internal facility procedures exist regarding bomb threats, such as:
 - 1. No evacuation of personnel and no search for a device.
 - 2. Search for a device without evacuation of personnel.
 - 3. Evacuation of personnel without a search for a device.
 - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that local law enforcement is notified. Also notify the department supervisor immediately so that the supervisor can communicate with the person in charge of the threatened facility as necessary.

503.8 ASSISTANCE

The Chief Probation Officer or the authorized designee should be notified when department assistance is requested. The Chief Probation Officer or authorized designee will make the decision whether the Department will render assistance to responding law enforcement and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including evacuation and giving deputies control over the facility.

Should the Chief Probation Officer or authorized designee determine that the department will assist law enforcement with such an incident, the Chief Probation Officer or authorized designee will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance in consultation with responding local law enforcement.
- (c) Whether to evacuate and/or search the facility.

Response to Bomb Threat Calls

- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request local law enforcement's assistance to clear the interior of a building, based upon the circumstances and known threat, deputies may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

503.9 SUSPECTED DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all-inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes:
 - 1. Two-way radios.
 - 2. Cell phones.
 - 3. Other personal communication devices.
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (h) Promptly relay available information to local law enforcement and the Chief Probation Officer or authorized designee including:
 - 1. The time of discovery.
 - 2. The exact location of the device.
 - 3. A full description of the device (e.g., size, shape, markings, construction).
 - 4. The anticipated danger zone and perimeter.
 - 5. The areas to be evacuated or cleared.

Response to Bomb Threat Calls

503.10 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, the supervisor may be confronted with a multitude of considerations. As in other catastrophic events, a rapid evacuation may help to minimize injury to victims, contamination of the scene, or any additional damage from fires or unstable structures.

503.10.1 CONSIDERATIONS

Deputies present at the scene of an explosion, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries, where safe and practicable.
- (b) Request through 9-1-1 additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens, and hazardous materials, where safe and practicable.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices only if trained to do so or where necessary to establish an evacuation route for self and others.
- (g) Preserve evidence, where safe and practicable.
- (h) Establish an outer perimeter and evacuate, if necessary.
- (i) Identify witnesses.

503.10.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified, as appropriate:

- Local law enforcement
- Supervisor
- Fire department
- Bomb squad
- Additional department personnel, as necessary
- Other government agencies, as appropriate

503.11 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene and only at the direction of local law enforcement. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

Response to Bomb Threat Calls

503.11 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. Pending the arrival of local law enforcement, the supervisor should assign deputies to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact evidence may be embedded in nearby structures or hanging in trees and bushes.

Crisis Intervention Incidents

504.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires a deputy to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

504.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; noncompliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive, or dangerous behavior that may be accompanied by impaired judgment.

504.2 POLICY

The Sierra County Probation Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

504.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation, or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality, or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness, or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, or lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility, or paranoia

Crisis Intervention Incidents

Members should be aware that this list is not exhaustive. The presence or absence of any of these signs should not be treated as proof of the presence or absence of a mental health issue or crisis.

504.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief Probation Officer should designate the Training Manager and appropriate supervisors to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with offenders who may be in crisis, and may also be used to develop case management plans for offenders suffering from mental illness.

504.5 CRISIS INTERVENTION RESPONSE

Safety is a priority during any crisis intervention. It is important to recognize that individuals under the influence of alcohol, drugs, or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to deputies; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit a deputy's authority to use reasonable force when interacting with a person in crisis.

Deputies are reminded that mental health issues, mental health crises, and unusual behavior are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

A deputy interacting with a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request local law enforcement and/or available backup deputies and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible without compromising safety, turn off flashing lights, bright lights, or sirens.
- (d) Attempt to determine if weapons are present or available.
 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of action or inaction, as perceived by the deputy.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime and report the same to local law enforcement, if applicable.
- (i) Request a supervisor, as warranted.

Crisis Intervention Incidents

- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

504.6 DE-ESCALATION

Deputies should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm and courteous, and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (i.e., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Deputies generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent, or suicidal.
- Argue, speak with a raised voice, or use threats to obtain compliance.

504.7 INCIDENT ORIENTATION

When encountering an incident that may involve mental illness or a mental health crisis, the deputy should request critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication or may have failed to take medication.
- (b) Whether there have been prior incidents or suicide threats/attempts, and whether there has been previous probation or other law enforcement response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

Crisis Intervention Incidents

504.8 SUPERVISOR RESPONSIBILITIES

If possible, a supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Absent an imminent threat to the public, consider strategic disengagement. This may include removing or reducing department resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing and prepare an incident report to be forwarded to the supervisor.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

504.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

504.10 NONSWORN INTERACTION WITH PEOPLE IN CRISIS

Members, including but not limited to clerical staff, may interact with persons in crisis in an administrative capacity, such as during records requests or phone calls.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If during an interaction, a member believes a person is in crisis, the member should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may self-harm or be harmful to others, a deputy should be promptly summoned to provide assistance.

Crisis Intervention Incidents

504.11 EVALUATION

The supervisor designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, deputies, or incidents and will be submitted to the Chief Probation Officer through the chain of command.

504.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide POST-approved advanced officer training on interaction with persons with mental disabilities, welfare checks, and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Rapid Response and Deployment

505.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces, and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement and probation. The purpose of this policy is to identify guidelines and factors that will assist deputies in situations that call for rapid response and deployment.

505.2 POLICY

The Sierra County Probation Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those who are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

505.3 CONSIDERATIONS

When dealing with a crisis situation, members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore, and analyze sources of intelligence and known information regarding the circumstances, location, and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing, or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

505.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding deputies should consider reasonable options to reduce, prevent, or eliminate the threat. Deputies must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat, or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, deputies should take immediate action, if reasonably practicable, while requesting additional assistance.

Deputies should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to incidents at other locations.

When deciding on a course of action, deputies should consider:

Rapid Response and Deployment

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advancement or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual deputy from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the deputies have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of defensive weapons, control devices, and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In the case of a barricaded or trapped suspect, with no hostages and no immediate threat to others, deputies should consider covering escape routes and evacuating persons as appropriate while summoning and waiting for additional assistance (e.g., special tactics and/or hostage negotiation team response).

505.5 PLANNING

The Chief Probation Officer or authorized designee should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites at the Sierra County Probation Department, such as buildings, including detention facilities, and parking areas.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Field supervision first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.

505.6 TRAINING

The Training Manager should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites at the Sierra County Probation Department, such as buildings, including detention facilities, and parking areas.

Rapid Response and Deployment

- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Field supervision first-response training, including patrol rifle and shotgun familiarization, and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

506.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Sierra County Probation Department relating to immigration and interacting with federal immigration officials.

506.2 POLICY

It is the policy of the Sierra County Probation Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

506.3 VICTIMS AND WITNESSES

To encourage cooperation, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of the Sierra County Probation Department will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and without regard to race, ethnicity, or national origin in any way that would violate the United States or California constitutions.

506.4 IMMIGRATION STATUS AND DETENTIONS

Immigration status may be reported to the court as required. Any reasonably discovered change in the immigration status of a offender or any discrepancy in the record about the person's immigration status should be documented and reported to the court.

No individual should be detained solely for the purpose of waiting for information from immigration officials (Government Code § 7284.6).

506.4.1 IMMIGRATION INQUIRIES PROHIBITED

Deputies shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

506.5 FEDERAL REQUEST FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

506.6 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

Immigration Violations

- (a) Sending information to or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

506.7 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the appropriate prosecutor or the appropriate law enforcement agency.

506.8 TRAINING

The Training Manager should ensure deputies receive immigration training on this policy. Training should include prohibitions contained in the California Values Act (Government Code § 7284 et seq.).

Public Recording of Probation Deputy Activity

507.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record probation deputy actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

507.2 POLICY

The Sierra County Probation Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully by local law enforcement having jurisdiction.

Deputies should exercise restraint and should not resort to seeking highly discretionary arrests for offenses such as interference, failure to comply, or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

507.3 RECORDING PROBATION DEPUTY ACTIVITY

Members of the public who wish to record probation deputy activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with probation deputy activity. Examples of interference include but are not limited to:
 1. Tampering with a witness or suspect.
 2. Inciting others to violate the law.
 3. Being so close to the activity as to present a clear safety hazard to the deputies.
 4. Being so close to the activity as to interfere with a deputy's effective communication with a offender or other individual.
- (c) The individual may not present an undue safety risk to self, to the deputy, or to others.

507.4 DEPUTY RESPONSE

Deputies should, when practical promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, deputies should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, deputies or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

Public Recording of Probation Deputy Activity

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing individuals to clear the area, a deputy could advise individuals they may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with probation deputy activity, deputies shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

507.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the deputy and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practicable, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure, or other actions are constitutional and consistent with this policy and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

507.6 SEIZING RECORDINGS AS EVIDENCE

Deputies should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

Sierra County Probation

Probation-Specific Manual - 11/5/2018

Public Recording of Probation Deputy Activity

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property Policy.

Medical Aid and Response

508.1 PURPOSE AND SCOPE

This policy recognizes that members may encounter persons in need of medical aid and establishes an appropriate response to such situations.

508.2 POLICY

It is the policy of the Sierra County Probation Department that all deputies and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

508.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should request response by emergency medical services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 1. Signs and symptoms as observed by the member.
 2. Changes in apparent condition.
 3. Number of patients, sex, and age, if known.
 4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
 5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Medical Aid and Response

508.4 TRANSPORTING ILL AND INJURED PERSONS

Except in exceptional cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Deputies should search any person who is in custody before releasing that person to EMS for transport.

A deputy should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes, or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

508.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, a deputy shall not force that person to receive medical care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the deputy should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Civil Commitments Policy.

If a deputy believes that a person who is in custody requires EMS care and the person refuses, the deputy should encourage the person to receive medical treatment. The deputy may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the deputy will require the person to be transported to the nearest medical facility. In such cases, the deputy should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

508.5.1 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the deputy has reason to believe the arrestee is feigning injury or illness, the deputy should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the deputy should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance. Deputies shall not transport an arrestee to a hospital without a supervisor's approval.

508.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies.

508.7 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

508.7.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Manager who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should, as soon as possible, request response by EMS.

508.7.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

508.7.3 AED TRAINING AND MAINTENANCE

The Training Manager should ensure appropriate training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Manager is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

508.8 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Members may administer opioid overdose medication in accordance with protocol specified by the licensed health care provider who prescribed the overdose medication for use by the member and (Civil Code § 1714.22; 22 CCR 100019):

- (a) When trained and tested to demonstrate competence following initial instruction.
- (b) When authorized by the medical director of the Local Emergency Management Service Agency.

Medical Aid and Response

508.8.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Manager.

Any member who administers an opioid overdose medication should request response by EMS as soon as possible.

508.8.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Manager will ensure that the Chief Probation Officer is provided enough information to meet applicable state reporting requirements.

508.8.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Manager should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication.

Training should be coordinated with the local health department and comply with applicable standards.

508.9 ADMINISTRATION OF EPINEPHRINE AUTO-INJECTORS

The Chief Probation Officer may authorize the acquisition of epinephrine auto-injectors for use by members as provided by Health and Safety Code § 1797.197a. The Training Manager shall create and maintain an operations plan for the storage, maintenance, use, and disposal of epinephrine auto-injectors as required by Health and Safety Code § 1797.197a(f).

Trained members who possess valid certification may administer an epinephrine auto-injector for suspected anaphylaxis (Health and Safety Code § 1797.197a(b); 22 CCR 100019).

508.9.1 EPINEPHRINE USER RESPONSIBILITIES

Members should handle, store, and administer epinephrine auto-injectors consistent with their training and the department operations plan. Members should check the auto-injectors at the beginning of their shift to ensure the medication is not expired. Any expired medication should be removed from service in accordance with the Department Operations Plan.

Any member who administers an epinephrine auto-injector medication should request response by EMS as soon as possible (Health and Safety Code § 1797.197a(b)).

508.9.2 EPINEPHRINE AUTO-INJECTOR REPORTING

Any member who administers an epinephrine auto-injector should detail its use in an appropriate report.

Medical Aid and Response

The Training Manager should ensure that the Chief Probation Officer is provided enough information for required reporting to the EMS Authority within 30 days after each use (Health and Safety Code § 1797.197a(f)).

Records regarding the acquisition and disposition of epinephrine auto-injectors shall be maintained pursuant to the department established records retention schedule but no less than three years (Business and Professions Code § 4119.4(d)).

508.9.3 EPINEPHRINE AUTO-INJECTOR TRAINING

The Training Manager should ensure that members authorized to administer epinephrine auto-injectors are provided with initial and refresher training that meets the requirements of Health and Safety Code § 1797.197a(c) and 22 CCR 100019.

509.3 CHIEF PROBATION OFFICER RESPONSIBILITIES

The Chief Probation Officer or authorized designee is responsible for reviewing the safety and restraint systems for all vehicles used to transport persons in custody. The review shall ensure the restraint systems comply with the law and shall determine whether they reasonably meet the needs of the Department. Safety systems should allow for transporting members to be in constant and reasonably clear audio contact with each person being transported.

The Chief Probation Officer or authorized designee should establish related procedures for safely transporting persons in custody who have their legs restrained in some manner other than leg shackles.

Transporting Persons in Custody

509.6 SPECIFIC TRANSPORTATION ISSUES

509.6.1 TRANSPORTING PERSONS WITH DISABILITIES

When transporting a person with a disability, a transporting member should request assistance as necessary to transport the person in a reasonable and safe manner. The transporting member should ensure that any special equipment (e.g., canes, wheelchairs, prosthetics) is transported in such a manner that it not be damaged or pose a security threat.

509.6.2 TRANSPORTING ILL OR INJURED PERSONS

See the Medical Aid and Response Policy.

Chapter 6 - Equipment

Department-Owned and Personal Property

600.1 PURPOSE AND SCOPE

This policy addresses the care of department-owned property and the role of the Department when personal property, the property of another person or entity, or department-owned property is damaged or lost.

600.2 POLICY

The Sierra County Probation Department will ensure that members are issued appropriate property and equipment necessary for the member's job function. The Department will take steps to minimize the cost associated with maintaining department property, including personal property authorized for use in the member's duties.

600.3 DEPARTMENT/AGENCY-ISSUED PROPERTY

The Chief Probation Officer or the designee should document all property and equipment issued by the Department in the appropriate file at the time of issuance. Receipt of issued items shall be acknowledged by the receiving member's signature. Upon separation from the Department, all issued property and equipment shall be returned. Documentation of the return shall be acknowledged by the signature of a supervisor.

600.3.1 MEMBER RESPONSIBILITIES

Members shall be responsible for the safekeeping, serviceable condition, proper care, proper use, and replacement of department property that has been assigned or entrusted to them.

- (a) Members shall promptly report, through their chain of command, any loss, damage to, or unserviceable condition of any department-issued property or equipment.
- (b) The use of damaged or unserviceable property should be discontinued as soon as practicable, and the item replaced with a comparable item as soon as available.
- (c) Except when otherwise directed by a supervisor or when exigent circumstances exist, department-issued property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Department-issued property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without prior approval.
- (e) Members should obtain a supervisor's approval before any attempt to repair damaged or unserviceable property, unless the repair is of a minor or temporary nature.

600.4 PERSONAL PROPERTY

Carrying and/or using personal property or equipment on-duty requires prior written approval by the Chief Probation Officer or appropriate Senior Deputy. The member should submit a request that includes a description of the property and the reason and length of time it will be used. Personal property of the type routinely carried by persons who are not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.

Department-Owned and Personal Property

The Department will not replace or repair items (e.g., jewelry, expensive watches) that are not reasonably required as part of work.

600.4.1 FILING CLAIMS FOR PERSONAL PROPERTY

A member requesting reimbursement for damage to, or loss of, personal property must submit the request in writing to the member's immediate supervisor. The supervisor may require a separate written report.

Upon review by the Senior Deputy and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief Probation Officer, who will then forward the claim to the County department responsible for issuing payments.

600.5 SUPERVISOR RESPONSIBILITIES

The supervisor receiving a report that property, including personal property authorized for use, has been damaged should conduct an investigation and direct a memo to the appropriate Senior Deputy. The memo should include the result of the investigation and whether reasonable care was taken to prevent the loss, damage, or unserviceable condition.

Cases where the supervisor has reason to believe that misconduct or negligence was involved in the loss, damage, or unserviceable condition of property should be handled in accordance with the Standards of Conduct and Personnel Complaints policies.

600.6 DAMAGE TO PROPERTY OF ANOTHER PERSON OR ENTITY

A member who intentionally or unintentionally damages or causes to be damaged the real or personal property of another person or entity while performing any probation function shall promptly report the damage through the chain of command.

600.6.1 DAMAGE BY PERSONNEL OF ANOTHER AGENCY

The department member present or the member responsible for the property is responsible to report the damage as follows:

- (a) A verbal report shall be made to the member's immediate supervisor as soon as circumstances permit.
- (b) A written report shall be submitted before the member goes off-duty or as otherwise directed by the supervisor.

Personal Communication Devices

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

601.2 POLICY

The Sierra County Probation Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under the California Public Records Act (CPRA) (Government Code § 6250 et seq.).

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

601.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities (see the Information Technology Use Policy for additional guidance).

601.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed, or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel

Personal Communication Devices

to ensure access is consistent with the California Electronic Communications Privacy Act (Penal Code § 1546; Penal Code § 1546.1).

601.4 DEPARTMENT/AGENCY-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief Probation Officer or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief Probation Officer or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

601.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of department communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy regarding any department business-related communication.
 - 1. Members may use personally owned PCDs on-duty for routine administrative work as authorized by the Chief Probation Officer.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief Probation Officer or the authorized designee.
- (f) Use of a personally owned PCD while at work or for work-related business constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, CPRA retention and release obligations, and internal investigations. If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.

Personal Communication Devices

- (g) All work-related documents, emails, photographs, recordings, or other public records created or received on a member's personally owned PCD should be transferred to the Sierra County Probation Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from a supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

601.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recorded media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief Probation Officer or the authorized designee, may result in discipline.
- (f) Members will not access social networking sites for any purpose that is not official department business.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

Personal Communication Devices

601.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief Probation Officer or the authorized designee.

601.8 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while using PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

601.9 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Deputies operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. Hands-free use should be restricted to business-related calls or calls of an urgent nature (Vehicle Code § 23123; Vehicle Code § 23123.5).

Vehicle Use, Safety, and Maintenance

602.1 PURPOSE AND SCOPE

The Department utilizes motor vehicles for a variety of applications. To maintain a system of accountability and ensure that department-owned vehicles are used and maintained appropriately, regulations relating to the use and maintenance of these vehicles have been established. The term “department-owned” as used in this section also refers to any vehicle leased or rented by the Department.

602.2 POLICY

The Sierra County Probation Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments, and other considerations. The department will provide service for department vehicles to ensure they remain operational and maintain their appearance, as resources allow.

602.3 USE OF DEPARTMENT AGENCY VEHICLES

Only authorized members should operate department vehicles. Members who operate department-owned vehicles must comply with all applicable state laws and must possess a valid driver’s license endorsed for the type of vehicle operated.

Additionally, members are responsible for helping maintain department vehicles so they are properly equipped, maintained, refueled, and cleaned.

602.3.1 USE OF SAFETY BELTS

Members shall wear provided safety restraints as stated in the Safety Belts Policy.

602.3.2 KEYS

Members approved to operate marked vehicles should be issued a copy of the keys as part of their initial equipment distribution. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys. The loss of a key shall be promptly reported in writing through the member’s chain of command.

Under no circumstances will offenders be allowed to operate a vehicle or have possession of any vehicle keys.

602.3.3 AUTHORIZED PASSENGERS

Members operating department vehicles shall not permit persons other than County personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Alongs Policy.

Vehicle Use, Safety, and Maintenance

602.3.4 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle. Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

602.3.4 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

602.3.5 ACCESSORIES AND/OR MODIFICATIONS

There shall be no modifications, additions, or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

602.3.6 CIVILIANNON-SWORN MEMBER USE

Nonsworn members using vehicles shall ensure that all weapons have been removed before going into service.

602.4 VEHICLE SECURITY

Department vehicles will be locked and the keys will be secured when not in use. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., equipment charging). Deputies who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

602.4.1 REMOVAL OF WEAPONS

All firearms, weapons, and control devices shall be removed from a vehicle and properly secured in the department armory or designated storage area prior to the vehicle being released for maintenance, service, or repair.

602.5 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department vehicles may be assigned to individual members at the discretion of the Chief Probation Officer. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform the member's regular assignment.

Vehicle Use, Safety, and Maintenance

602.5.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief Probation Officer or the authorized designee.

602.5.2 USE OF PERSONAL VEHICLES

The use of personal vehicles for official business must be approved by the Chief Probation Officer or the authorized designee.

The Chief Probation Officer or the authorized designee shall verify that the personal vehicle meets the state's insurance requirements. A copy of the insurance card shall be retained in the vehicle and in a department file. All policies and procedures applicable to department vehicles shall apply to the personal vehicle while it is being used for official business.

602.6 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure the assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.
- (e) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card, explaining the service or repair, and leave it on the seat or dash.
- (f) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

602.6.1 VEHICLE INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after

Vehicle Use, Safety, and Maintenance

the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any offender, the transporting member shall search all areas of the vehicle that are accessible by the offender before and after that person is transported.

All department-owned vehicles are subject to inspection and/or search at any time by a supervisor. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or any of its contents, regardless of who owns the contents.

602.6.2 VEHICLE SAFETY REPAIRS

Anyone authorized to drive department vehicles is responsible for inspecting the interior and exterior of any assigned vehicle before placing the vehicle into service and again at the conclusion of the shift. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

Vehicles that are deemed as unsafe shall not be used until necessary repairs are made. The written request for repairs shall be submitted before the operator checks out a replacement vehicle. The supervisor or the authorized designee shall monitor the maintenance requests and ensure that the necessary repairs are made before the vehicle is placed back into service.

All vehicles owned, leased, or used by this department shall be inspected annually by a qualified individual. Inspection reports will be forwarded to and maintained by the supervisor.

602.7 TOLL ROAD USAGE

Probation vehicles are not routinely exempt from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating department vehicles on a toll road shall adhere to the following:

- (a) Members operating department vehicles for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate tollway transponder. Members may submit for reimbursement from the County for any toll fees incurred in the course of official business.
- (b) Members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate supervisor within five working days explaining the circumstances.

602.8 ACCIDENT, DAMAGE, ABUSE, AND MISUSE

When any department-owned vehicle is involved in a traffic accident, the involved member shall promptly notify a supervisor. The appropriate local law enforcement agency shall be summoned to conduct an investigation. A traffic accident report shall be filed with the agency having jurisdiction. The member shall complete this department's vehicle accident form.

If the member is incapable of completing the vehicle accident form, a supervisor shall complete the form.

Vehicle Use, Safety, and Maintenance

An administrative investigation should be conducted to determine if the member acted within policy.

602.8 ATTIRE AND APPEARANCE

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever a member is in public view or has contact with the public, the member's attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

Personal Protective Equipment

603.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well as the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable disease, as those issues are addressed in the Body Armor and Communicable Diseases policies.

603.1.1 DEFINITIONS

Definitions related to this policy include:

Disposable particulate mask - A class of disposable respirators approved by the Food and Drug Administration (FDA) and the National Institute for Occupational Safety and Health (NIOSH) as suitable for use where fluid or particulate resistance is a priority. Examples are N95 and N100 masks.

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical, or other workplace hazards.

Respiratory PPE - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

603.2 POLICY

The Sierra County Probation Department endeavors to protect members by supplying certain PPE to members as provided in this policy.

603.3 OFFICER/AGENT RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to utilize the procedures in the Illness and Injury Prevention Policy to recommend new or improved PPE or additional needs for PPE.

603.4 HEARING PROTECTION

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 8 CCR 5098.

Personal Protective Equipment

603.5 EYE PROTECTION

Approved eye protection, including side protection, shall be used by members during firearms training or during situations in which eye protection may be warranted (e.g., cleaning areas where bloodborne pathogens were spilled, urine sample collections with offenders). Eye protection for members who wear prescription lenses shall incorporate the prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

The Rangemaster shall ensure eye protection meets or exceeds the requirements provided in 8 CCR 3382.

603.6 RESPIRATORY PROTECTION

The Chief Probation Officer or the authorized designee is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (8 CCR 5144):

- (a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
- (b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
- (c) Medical evaluations.
- (d) PPE inventory control.
- (e) PPE issuance and replacement.
- (f) Cleaning, disinfecting, storing, inspecting, repairing, discarding, and otherwise maintaining respiratory PPE, including schedules for these activities.
- (g) Regularly reviewing the PPE plan.
- (h) Remaining current with applicable National Institute for Occupational Safety and Health (NIOSH), American National Standards Institute (ANSI), Occupational Safety and Health Administration (OSHA), Environmental Protective Agency (EPA), and state PPE standards and guidelines.

603.6.1 RESPIRATORY PROTECTION USE

Disposable particulate masks should only be used to protect the member from particulate contaminants and are not suitable in an oxygen-deficient atmosphere or where an unsafe level of gases or fumes exists. See also the Communicable Diseases Policy.

Designated members may be issued respiratory PPE based on the member's assignment (e.g., narcotics task force).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Personal Protective Equipment

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

- (a) The member's face and respirator facepiece need to be washed to prevent eye or skin irritation associated with respirator use.
- (b) The member detects vapor or gas breakthrough, a change in breathing resistance, or leakage of the facepiece.
- (c) The member needs to replace the respirator, filter, cartridge, or canister.

603.6.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators, or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke, or vapors shall use respiratory PPE.

Members using respiratory PPE shall (8 CCR 5144):

- (a) Ensure that they have no facial hair between the sealing surface of the facepiece and the face that could interfere with the seal or the valve function. Members also shall ensure that they have no other condition that will interfere with the face-to-facepiece seal or the valve function.
- (b) Not wear corrective glasses, goggles, or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.
- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance, or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

603.6.3 SELF-CONTAINED BREATHING APPARATUS

Scene commanders may direct members to use SCBA when entering an atmosphere that may pose an immediate threat to life, would cause irreversible adverse health effects, or would impair an individual's ability to escape from a dangerous atmosphere. These situations may include but are not limited to:

- (a) Entering the hot zone of a hazardous materials incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
- (c) Entering a smoke- or chemical-filled area.

Personal Protective Equipment

The use of SCBA should not cease until approved by a scene commander.

603.6.4 RESPIRATOR FIT TESTING

No member shall be issued respiratory PPE until proper fit testing has been completed by a designated member or contractor (8 CCR 5144).

After initial testing, fit testing for respiratory PPE shall be repeated (8 CCR 5144):

- (a) At least once every 12 months.
- (b) Whenever there are changes in the type of SCBA or facepiece used.
- (c) Whenever there are significant physical changes in the user (e.g., obvious change in body weight, scarring of the face seal area, dental changes, cosmetic surgery, or any other condition that may affect the fit of the facepiece seal).

All respirator fit testing shall be conducted in negative-pressure mode.

603.6.5 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE

No member shall be issued respiratory protection that forms a complete seal around the face until (8 CCR 5144):

- (a) The member has completed a medical evaluation that includes a medical evaluation questionnaire.
- (b) A physician or other licensed health care professional has reviewed the questionnaire.
- (c) The member has completed any physical examination recommended by the reviewing physician or health care professional.

603.7 RECORDS

The Training Manager is responsible for maintaining records of all:

- (a) PPE training.
- (b) Initial fit testing for respiratory protection equipment.
- (c) Annual fit testing.
- (d) Respiratory medical evaluation questionnaires and any subsequent physical examination.

1. These records shall be maintained in a separate confidential medical file.

The records shall be maintained in accordance with the Department records retention schedule and 8 CCR 5144.

603.8 TRAINING

Members should be trained in the respiratory and other hazards to which they may be potentially exposed during routine and emergency situations.

Sierra County Probation

Probation-Specific Manual - 11/5/2018

Personal Protective Equipment

All members shall be trained in the proper use and maintenance of PPE issued to them, including when the use is appropriate; how to put on, remove and adjust PPE; how to care for the PPE; and the limitations (8 CCR 3380).

Members issued respiratory PPE shall attend annual training on the proper use of respiratory protection devices (8 CCR 5144).

Body Armor

604.1 PURPOSE AND SCOPE

The purpose of this policy is to provide deputies with guidelines for the proper use of body armor.

604.2 POLICY

It is the policy of the Sierra County Probation Department to maximize deputy safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of deputy safety procedures.

604.3 ISSUANCE

The Rangemaster shall ensure that body armor is issued to all deputies and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

Body armor shall be issued when a deputy begins service at the Sierra County Probation Department and shall be replaced when the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

The Chief Probation Officer may authorize issuing body armor to uniformed, civilian/non-sworn members whose jobs may make wearing of body armor advisable.

604.3.1 USE

Generally, the required use of body armor is subject to the following:

- (a) Members shall only wear department-approved body armor.
- (b) Members shall wear body armor any time they are in a situation where they could reasonably be expected to take enforcement action, including but not limited to when they are participating in field supervision activities.
- (c) Members shall wear body armor when working in uniform or taking part in department range training.
- (d) Members are not required to wear body armor when they are functioning primarily in an administrative or support capacity and would not reasonably be expected to take enforcement action.
- (e) Deputies may be excused from wearing body armor when they are involved in undercover or plainclothes work that their supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.
 1. In those instances when body armor is not worn, deputies should have reasonable access to their body armor.

604.3.2 INSPECTION

Supervisors should ensure through routine observation and periodic documented inspections that body armor is worn and maintained in accordance with this policy.

Body Armor

Annual inspections of body armor should be conducted by a person trained to perform the inspection for fit, cleanliness, and signs of damage, abuse, and wear.

604.3.3 CARE AND MAINTENANCE

The required care and maintenance of body armor is subject to the following:

- (a) Members are responsible for inspecting their body armor for signs of damage, wear, and cleanliness at the start of each shift.
 - 1. Unserviceable body armor shall be reported to the supervisor.
- (b) Members are responsible for the proper storage of their body armor.
 - 1. Body armor should not be stored for an extended period of time in an area where environmental conditions (e.g., temperature, light, humidity) could potentially degrade its effectiveness.
- (c) Members are responsible for the care and cleaning of their body armor pursuant to the manufacturer's care instructions.
 - 1. Body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer.
 - 2. Failure to follow manufacturer's care instructions may damage the ballistic performance capabilities of the body armor. If care instructions for the body armor cannot be located, the manufacturer should be contacted to request the instructions.
- (d) Body armor should be replaced in accordance with the manufacturer's recommended replacement schedule, or when its effectiveness or functionality has been compromised.

604.4 FIREARMS INSTRUCTOR RESPONSIBILITIES

The responsibilities of the Rangemaster include but are not limited to:

- (a) Monitoring technological advances in the body armor industry for any appropriate changes to department-approved body armor.
- (b) Assessing the level of weapons and ammunition currently utilized by the public and the suitability of approved body armor to protect against those threats.
- (c) Educating deputies about the safety benefits of wearing body armor.

- (h) Establish agreements with other appropriate organizations that have resources and expertise to store and destroy hazardous materials, flammable materials, explosive materials, narcotics and dangerous drugs, and other materials requiring specialized destruction.

Property

700.4 SECURITY

Only authorized members should have access to property. Members authorized to access secure property storage areas should take reasonable steps to prevent access by unauthorized persons. This includes preventing others from accessing related keys, access codes, passwords, or access cards and reporting any possible breaches or security concerns as soon as practicable.

700.5 PROPERTY HANDLING

The member who first comes into possession of property is generally responsible for the collection, care, custody, and control of the property until it is securely stored.

Receipts should be provided to individuals when property is received or removed from them.

A supervisor should be notified when a submitting member did not follow appropriate procedures.

Members should securely store property prior to going off-duty.

700.6 SPECIAL CONSIDERATIONS

The following items require special handling and should be processed according to department procedures and as follows:

700.6.1 CONTROLLED SUBSTANCES

- (a) Controlled dangerous substances should only be handled using the appropriate type and level of personal protective equipment.
- (b) Controlled dangerous substances should only be tested, opened, or repackaged in authorized areas and only by trained members.
- (c) Controlled substances shall not be packaged with other property.

700.6.2 MISCELLANEOUS

The following items require special consideration and should be handled in line with current department procedures, to include the following:

- (a) Cash should be counted in the presence of another member. The cash shall be placed in a property envelope and initialed by both members. A supervisor should be contacted for cash in excess of \$1,000. The supervisor shall witness the count, initial and date the envelope. After initial submission, cash should be stored in a controlled-access safe. Cash that is not evidence or contaminated should be periodically deposited into a department bank account.

Digital evidence should be stored in a manner to prevent it from becoming demagnetized.

Property

Explosives, fireworks, ammunition, and hazardous and flammable substances should be secured either off-site or on-site in containers appropriate for the contents. These items should be removed or destroyed as soon as it is practical and legal to do so.

Firearms shall be unloaded and packaged separately from ammunition. Members submitting firearms should package them in such a way as to provide visual confirmation that the firearm is unloaded. Knife boxes should be used to package knives.

Syringe tubes or other sharps containers should be used to package syringes, needles and other sharps.

700.7 RECORDING OF PROPERTY

Members should ensure that all documentation and tagging is completed when entering property and evidence. The property custodian receiving custody of property shall ensure a property control record for each item or group of items has been created.

The property custodian shall ensure that a unique property number is obtained for each item or group of items.

700.8 INSPECTION OF THE PROPERTY STORAGE AREA

The Senior Deputy shall ensure that periodic, unannounced inspections of the storage facilities are conducted to ensure adherence to appropriate policies and procedures. The Senior Deputy also shall ensure that an audit is conducted annually, or as directed by the Chief Probation Officer. Inspections and audits shall be conducted by a member of this department who is not routinely or directly connected with the property operations.

Whenever there is a change of assignment for any member with authorized access to the stored property, an inventory of all property shall be conducted by a person who is not associated with the stored property, or its function. This is to ensure that all property is accounted for and the records are correct.

Records Maintenance and Release

701.1 PURPOSE AND SCOPE

This policy establishes guidelines for the maintenance, release, and disposition of records maintained by the Department. The policy addresses responsibilities of the Chief Probation Officer for the management of file access, and requests for release of information and records.

701.2 POLICY

It is the policy of the Department to maintain offender records and to provide for the access to and release of records consistent with department policies, administrative directives, and applicable state law.

701.3 RECORDS CUSTODIAN RESPONSIBILITIES

The responsibilities of the Chief Probation Officer include but are not limited to:

- (a) Maintaining and updating a records procedure manual.
- (b) Supervising the access, use, and release of protected information (see the Protected Information Policy).
- (c) Managing the records management system for the Department, including the retention, archiving, release, and destruction of department public records.
- (d) Maintaining and updating the department records retention schedule, including:
 1. Identifying the minimum length of time the Department must keep records.
 2. Identifying who has the responsibility for the original record.
- (e) Establishing rules regarding the inspection and copying of department public records as reasonably necessary for the protection of such records.
- (f) Identifying records or portions of records that have release restrictions or are confidential under state or federal law and not open for inspection or copying.
- (g) Establishing procedures for sharing records as permitted by law with offenders, their designees, and coordinating agencies, including law enforcement agencies, social service agencies, and medical and mental health providers.
- (h) Establishing rules regarding the processing of subpoenas for the production of records.
- (i) Ensuring the availability of a current schedule of fees for public records as allowed by law (Government Code § 6253).
- (j) Determining how the department's website may be used to post public records in accordance with Government Code § 6253.
- (k) Ensuring that public records posted on the department website meet the requirements of Government Code § 6253.10, including but not limited to posting in an open format where a record may be retrieved, downloaded, indexed, and searched by a commonly used internet search application.

Records Maintenance and Release

701.4 PROCESSING REQUESTS FOR RECORDS

Any department member who receives a request for any records shall route the request to the Chief Probation Officer or authorized designee.

701.4.1 REQUESTS FOR PUBLIC RECORDS

The processing of requests for public records is subject to the following (Government Code § 6253):

- (a) The Department is not required to create records that do not exist.
- (b) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.
 - 1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions.
 - 2. If the record is audio or video recording, a copy of the redacted audio/video recording release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.
- (c) Either the requested record or the reason for nondisclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Custodian of Records or the authorized designee. If an extension is authorized, the Department shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.
 - 1. When the request does not reasonably describe the records sought, the Chief Probation Officer shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request, including providing assistance for overcoming any practical basis for denying access to the records or information. The Chief Probation Officer shall also assist in describing the information and technology and physical location in which the record exists (Government Code § 6253.1).
 - 2. If the record requested is available on the department website, the requester may be directed to the location on the website where the record is posted. If the requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.
- (d) Upon request, a record shall be provided in an electronic format utilized by the Department. Records shall not be provided only in electronic format unless specifically requested (Government Code § 6253.9).

701.5 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Chief Probation Officer for review and processing. While a

Records Maintenance and Release

subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the appropriate prosecutor or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

701.6 RELEASED RECORDS TO BE MARKED

Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the department name and to whom the record was released.

Each audio/video recording released should include the department name and to whom the record was released.

701.7 SECURITY BREACHES

Members who become aware that any Sierra County Probation Department system containing personal information may have been breached should notify the Chief Probation Officer as soon as practicable.

The Chief Probation Officer shall ensure notice is given anytime there is a reasonable belief an unauthorized person has acquired either unencrypted personal identifying information or encrypted personal information along with the encryption key or security credential stored in any department information system (Civil Code § 1798.29).

Notice shall be given as soon as reasonably practicable to all individuals whose information may have been acquired. The notification may be delayed if the Department determines that notification will impede a criminal investigation or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system (Civil Code § 1798.29).

If a single breach requires the Department to notify more than 500 California residents, the Department shall electronically submit a sample copy of the notification, excluding any personally identifiable information, to the California Attorney General (Civil Code § 1798.29).

For the purposes of the notice requirement, personal information includes an individual's first name or first initial and last name in combination with any one or more of the following data elements, when either the name or the data elements are not encrypted:

- (a) Social Security number
- (b) Driver's license number or California identification card number
- (c) Full account number, credit or debit card number, or any required security code, access code, or password that would permit access to an individual's financial account
- (d) Medical information

Records Maintenance and Release

- (e) Health insurance information
- (f) A username or email address along with a password, code, or phrase that, in combination, would allow access to an online account

If the breach reasonably appears to have been made to protected information covered in the Protected Information Policy, the Chief Probation Officer should promptly notify the appropriate member designated to oversee the security of protected information (see the Protected Information Policy).

701.8 SEALED RECORD ORDERS

Sealed record orders received by the Department shall be reviewed for appropriate action by the Chief Probation Officer and, if appropriate, the member assigned to supervision of the offender.

The Chief Probation Officer shall seal such records as ordered by the court. Once a record is sealed, members shall respond to any inquiry as though the record did not exist (Penal Code § 851.8; Welfare and Institutions Code § 781).

Protected Information

702.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release, and security of protected information by members of the Sierra County Probation Department. This policy addresses the protected information used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

702.1.1 DEFINITIONS

Definitions related to this policy include:

Protected information - Any information or data collected, stored, or accessed by members of the Sierra County Probation Department and that is subject to any access or release restrictions imposed by law, regulation, order, or use agreement. This includes all information in federal, state, or local law enforcement databases that is not accessible to the public.

702.2 POLICY

Members of the Sierra County Probation Department will adhere to all applicable laws, orders, regulations, use agreements, and training related to the access, use, dissemination, and release of protected information.

702.3 RESPONSIBILITIES

The Chief Probation Officer shall coordinate the use of protected information.

The responsibilities of this position include but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, National Law Enforcement Telecommunications System (NLETS), Department of Motor Vehicles (DMV) records, and California Law Enforcement Telecommunications System (CLETS).
- (b) Developing, disseminating, and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy.
- (c) Developing, disseminating, and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release, and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.
- (e) Resolving specific questions that arise regarding authorized recipients of protected information.
- (f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.

Protected Information

702.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Sierra County Probation Department policy, or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

702.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Chief Probation Officer for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from law enforcement agencies who are assisting in an investigation or conducting a related investigation. Any such information should be released through the Records Section to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information, which includes Criminal History Record Information, should generally not be transmitted by radio, cellular telephone, or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of department members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.

702.6 SECURITY OF PROTECTED INFORMATION

The Chief Probation Officer will select a member of the Department to oversee the security of protected information.

The responsibilities of this position include but are not limited to:

- (a) Developing and maintaining security practices, procedures, and training.
- (b) Ensuring federal and state compliance with the CJIS Security Policy and the requirements of any state or local criminal history records systems.
- (c) Establishing procedures to provide for the preparation, prevention, detection, analysis, and containment of security incidents, including computer attacks.

Protected Information

- (d) Tracking, documenting, and reporting all breach of security incidents to the Chief Probation Officer and appropriate authorities.

702.6.1 MEMBER RESPONSIBILITIES

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk, in or on an unattended vehicle, in an unlocked desk drawer or file cabinet, on an unattended computer terminal).

702.7 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit, or obtain information from a criminal intelligence system unless the Chief Probation Officer has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for supervising the use of any criminal intelligence system by members. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

702.7.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, case notes, a photo, or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Chief Probation Officer. Any supporting documentation for an entry shall be retained by the Chief Probation Officer in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Chief Probation Officer are appropriately marked as intelligence information. The Chief Probation Officer may not purge such documents without the approval of the designated supervisor.

702.7.2 SHARED GANG DATABASE

Any shared gang database shall be accessed and maintained in accordance with state and federal law, guidelines, and regulations (Penal Code § 186.36).

Protected Information

702.8 TRAINING

All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

Chapter 8 - Personnel

Reporting of Arrests, Convictions, and Court Orders

800.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Sierra County Probation Department.

This policy will also describe the notification requirements and procedures that certain retired deputies must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

800.2 POLICY

The Sierra County Probation Department requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Sierra County Probation Department.

800.3 DOMESTIC VIOLENCE CONVICTIONS AND COURT ORDERS

Federal and California law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing firearms. Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members and retired deputies with identification cards issued by the department are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order, and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

800.4 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Outstanding warrants and felony convictions also place restrictions on the ability of a deputy to possess a firearm or remain a peace officer (Government Code § 1029; Penal Code § 29805).

800.5 REPORTING

All members and all retired deputies with identification cards issued by the Department shall immediately notify the Chief Probation Officer in writing of any past or current criminal detention, arrest, charge, or conviction in any state or foreign country, regardless of whether the matter

Sierra County Probation

Probation-Specific Manual - 11/5/2018

Reporting of Arrests, Convictions, and Court Orders

was dropped or rejected, is currently pending, or is on appeal, and regardless of the penalty or sentence, if any.

All members and all retired deputies with identification cards issued by the Department shall immediately notify the Chief Probation Officer in writing if they become the subject of a domestic violence-related order or any court order that prevents the member or retired deputy from possessing a firearm.

Any member whose criminal arrest, conviction, or court order restricts or prohibits that member from fully and properly performing duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on the member's own time and at own expense.

Any employee failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.

Retired deputies may have their identification cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

Drug- and Alcohol-Free Workplace

801.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

801.2 POLICY

It is the policy of the Sierra County Probation Department to provide a drug- and alcohol-free workplace for all members.

801.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the appropriate supervisor as soon as the member is aware of an inability to report to work. If the member cannot to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

801.3.1 USE OF MEDICATIONS

Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to an immediate supervisor prior to commencing any on-duty status.

801.3.2 USE OF MARIJUANA

Possession of marijuana, including medical marijuana, or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

801.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing, or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow on-duty member is impaired due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation in the workplace no later than five days after such conviction (41 USC § 8103).

Drug- and Alcohol-Free Workplace

801.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Administration, their insurance providers, or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

801.6 WORK RESTRICTIONS

If a member informs a supervisor that the member has consumed any alcohol, drug, or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from a physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that the member is safely transported away from the Department.

801.7 SCREENING TESTS

A supervisor may require an employee to submit to a screening under any of the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing the employee's ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm in the performance of duties (excluding training).
- (c) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.
- (d) The employee drives a motor vehicle in the performance of duties and becomes involved in an incident that results in bodily injury, death, or substantial damage to property.

801.7.1 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.
- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

801.7.2 DISCIPLINE

An employee may be subject to disciplinary action if the employee:

Drug- and Alcohol-Free Workplace

- (a) Fails or refuses to submit to a screening test.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that the controlled substance was taken as directed, pursuant to a current and lawful prescription issued in the employee's name.

801.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or require the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

801.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

Communicable Diseases

802.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

802.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, urine, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include but are not limited to hepatitis B virus (HBV), HIV, and tuberculosis.

Exposure - When an eye, the mouth, a mucous membrane, or non-intact skin comes into contact with blood, urine, or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing, or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Sierra County Probation Department (see the Exposure Control Plan for further details to assist in identifying whether an exposure has occurred).

802.2 POLICY

The Sierra County Probation Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

802.3 EXPOSURE PREVENTION AND MITIGATION

802.3.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes but is not limited to (8 CCR 5193):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks, or other specialized equipment in the work area or department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, urine, other potentially infectious materials, mucous membranes, and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.

Communicable Diseases

- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing, portable radio) as soon as possible if the equipment is a potential source of exposure.
 - 1. Clothing that has been contaminated by blood, urine, or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

802.3.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

802.4 POST EXPOSURE

802.4.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

802.4.2 REPORTING REQUIREMENTS

The supervisor or designated administrator on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

- (a) Name and Social Security number of the employee exposed
- (b) Date and time of incident
- (c) Location of incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident

Communicable Diseases

- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Work-Related Illness and Injury Reporting and Illness and Injury Prevention policies).

802.4.3 MEDICAL CONSULTATION, EVALUATION, AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions, resulting from exposure to blood or other potentially infectious materials, that require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

802.4.4 COUNSELING

The Department shall provide the member, and the member's family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

802.4.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

Communicable Diseases

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if the individual refuses.

802.5 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

802.6 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting the member's potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure, and what steps should be taken if a suspected exposure occurs.

Smoking and Tobacco Use

803.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Sierra County Probation Department facilities or vehicles.

For the purpose of this policy, smoking and tobacco use includes but is not limited to any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches, and chewing tobacco, as well as any device that is intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

803.2 POLICY

The Sierra County Probation Department recognizes that tobacco use is a health risk and can be offensive to others. All forms of tobacco use also present an unprofessional image for the Department and its members. Therefore, all forms of tobacco use are prohibited by members and visitors in all department facilities, buildings, and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

803.3 SMOKING AND TOBACCO USE

Smoking and tobacco use by members are prohibited any time members are in public view representing the Sierra County Probation Department.

It shall be the responsibility of each member to ensure that no person under the member's supervision smokes or uses any tobacco product inside County facilities and vehicles.

803.4 ADDITIONAL PROHIBITIONS

No person shall use tobacco products within 20 feet of a main entrance, exit, or operable window of any public building (including any department facility) or buildings on the campuses of the University of California, California State University, and California community colleges, whether present for training, enforcement, or any other purpose (Government Code § 7596 et seq.).

Safety Belts

804.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of safety belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

804.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and regulations set forth in 49 CFR 571.213 and Vehicle Code § 27360.

804.2 POLICY

It is the policy of the Sierra County Probation Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle accident.

804.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased, or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seatbelt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

804.4 TRANSPORTING CHILDREN

Child passengers younger than 8 years old shall be transported using an approved child restraint system in compliance with Vehicle Code § 27360.

Rear-seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of safety belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

Safety Belts

804.5 TRANSPORTING PERSONS IN CUSTODY

Persons in custody should be in a seated position and secured in the rear seat of any department vehicle with a transport restraint system or, when a transport restraint system is not available, by safety belts provided by the vehicle manufacturer. The transport restraint system is not intended to be a substitute for handcuffs or other appendage restraints. See the Transporting Persons in Custody Policy.

Persons in custody in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

804.6 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the safety belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the safety belt is inoperable.

Department vehicle safety belts shall not be modified, removed, deactivated, or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief Probation Officer.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

804.7 VEHICLES MANUFACTURED WITHOUT SAFETY BELTS

Vehicles manufactured and certified for use without safety belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

804.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Fitness for Duty

805.1 PURPOSE AND SCOPE

Monitoring members' fitness for duty is essential for the safety and welfare of the members of the Department and the community. The purpose of this policy is to require that all members of this department remain fit for duty and able to perform their job functions (Government Code § 1031).

805.2 POLICY

The Sierra County Probation Department strives to provide a safe and productive work environment and ensure that all members of this department can safely and effectively perform the essential functions of their jobs. Under limited circumstances, the Department may require a professional evaluation of a member's physical and/or mental capabilities to determine the member's ability to perform essential functions.

805.3 MEMBER RESPONSIBILITIES

It is the responsibility of each member of this department to maintain physical stamina and psychological stability sufficient to safely and effectively perform the essential duties of the position.

During working hours, all members are required to be alert, attentive, and capable of performing their assigned responsibilities.

Any member who feels unable to perform duties shall promptly notify a supervisor. In the event that a member believes that another department member is unable to perform duties, such observations and/or belief shall be promptly reported to a supervisor.

805.4 SUPERVISOR RESPONSIBILITIES

All supervisors should be alert to any indication that a member may be unable to safely perform any duties due to an underlying physical or psychological impairment or condition.

Such indications may include:

- (a) An abrupt and negative change in the member's normal behavior.
- (b) A pattern of irrational conduct, hostility, or oppositional behavior.
- (c) Personal expressions of instability.
- (d) Inappropriate use of alcohol or other substances, including prescribed medication.
- (e) A pattern of questionable judgment, impulsive behavior, or the inability to manage emotions.
- (f) Any other factor or combination of factors causing a supervisor to believe the member may be suffering from an impairment or condition requiring intervention.

Supervisors shall maintain the confidentiality of any information consistent with this policy.

Fitness for Duty

805.4.1 REPORTING

A supervisor observing a member, or receiving a report of a member, who is perceived to be unable to safely or effectively perform duties shall promptly document all objective information and/or observations.

The supervisor should attempt to meet with the member to inquire about the conduct or behavior giving rise to the concerns.

If a meeting does not resolve the supervisor's concerns or does not take place, the supervisor shall promptly document the observations and actions in a written report and inform the Chief Probation Officer.

805.4.2 DUTY STATUS

In conjunction with the Chief Probation Officer, the Senior Deputy should make a preliminary determination regarding the member's duty status.

If a determination is made that the member can safely and effectively perform the essential functions of the job, the member should be returned to duty and arrangements made for appropriate follow-up.

If a preliminary determination is made that the member's conduct or behavior represents an inability to safely and effectively perform the essential functions of the job, the Senior Deputy or the Chief Probation Officer should immediately relieve the member of duty pending further evaluation.

Employees relieved of duty shall comply with the administrative leave provisions of the Personnel Complaints Policy.

The Chief Probation Officer shall be promptly notified in the event that any member is relieved of duty.

805.5 FITNESS-FOR-DUTY EVALUATIONS

A fitness-for-duty evaluation may be ordered whenever circumstances reasonably indicate that a member is unfit for duty or following an officer-involved shooting or death-in-custody incident.

805.5.1 PROCESS

The Senior Deputy Chief Probation Officer, in cooperation with Administration, may order the member to undergo a fitness-for-duty evaluation.

The examining practitioner will provide the Department with a report indicating whether the member is fit for duty. If the member is not fit for duty, the practitioner will include the existing restrictions or conditions in the report. If the employee places their condition at issue in any subsequent or related administrative action/grievance, the examining physician or therapist may be required to disclose any and all information that is relevant to such proceeding (Civil Code § 56.10(c)(8)).

To facilitate the evaluation of any member, the Department will provide all appropriate documents and available information.

Fitness for Duty

All reports and evaluations submitted by the examining practitioner shall be part of the member's confidential medical file.

Any member ordered to undergo a fitness-for-duty evaluation shall comply with the terms of the order and cooperate fully with the examining practitioner.

Determinations regarding duty status of members who are found to be unfit for duty or fit for duty with limitations will be made in cooperation with Administration.

805.6 LIMITATION ON HOURS WORKED

Absent emergency operations, members should not work more than:

- 16 hours in a one-day (24 hours) period.
- 30 hours in any two-day (48 hours) period.
- 84 hours in any seven-day (168 hours) period.

Except in unusual circumstances, members should have a minimum of eight hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve any member who has exceeded the above guidelines to off-duty status.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, general overtime, and any other work assignments.

805.7 APPEALS

Employees disputing the application or interpretation of this policy may submit a grievance as provided in the Grievances Policy.

Outside Employment and Outside Overtime

806.1 PURPOSE AND SCOPE

This policy provides guidelines for department members who seek to engage in authorized outside employment or outside overtime.

806.1.1 DEFINITIONS

Definitions related to this policy include:

Outside employment - Duties or services performed by members of this department for another employer, organization, or individual not affiliated directly with this department when wages, compensation, or other consideration for such duties or services is received. Outside employment also includes duties or services performed by those members who are self-employed and receive compensation or other consideration for services, products, or benefits rendered.

Outside overtime - Duties or services performed by members of this department for a private organization, entity, or individual, that are requested and scheduled directly through the Department. Member compensation, benefits, and costs for such outside services are reimbursed to the Department.

806.2 POLICY

Members of the Sierra County Probation Department shall obtain written approval from the Chief Probation Officer or the authorized designee prior to engaging in any outside employment or outside overtime. Approval of outside employment or overtime shall be at the discretion of the Chief Probation Officer in accordance with the provisions of this policy. Failure to obtain prior written approval for outside employment or overtime, or engaging in outside employment or overtime that is prohibited by this policy, may lead to disciplinary action.

806.3 OUTSIDE EMPLOYMENT

806.3.1 REQUEST AND APPROVAL

Members must submit the designated outside employment request form to their immediate supervisors. The request form will then be forwarded to the Chief Probation Officer for consideration.

If approved, the member will be provided with a copy of the approved request form. Unless otherwise indicated in writing on the request form, approval for outside employment will be valid through the end of the calendar year in which the request is approved. Members seeking to continue outside employment must submit a new request form at the start of each calendar year.

806.3.2 DENIAL

Any member whose request for outside employment has been denied shall be provided with a written notification of the reason at the time of the denial (Penal Code § 70(e)(3)).

Outside Employment and Outside Overtime

806.3.3 REVOCATION OR SUSPENSION

Any member whose approval for outside employment is revoked or suspended shall be provided with a written notification of the reason for revocation or suspension (Penal Code § 70(e)(3)).

Approval for outside employment may be revoked or suspended:

- (a) When a supervisor determines the member's performance is failing to meet standards and the outside employment may be related to the deficient performance.
 - 1. Approval for the outside employment may be reestablished when the member's performance has reached a satisfactory level and with supervisor's authorization.
- (b) When a member's conduct or outside employment conflicts with department policy or any law.
- (c) When the outside employment creates an actual or apparent conflict of interest with the Department or County.

806.3.4 APPEAL

If a member's request for outside employment is denied or if previous approval is revoked or suspended, the member may file a written notice of appeal with the Chief Probation Officer within 10 days of receiving notice of the denial, revocation, or suspension.

A revocation or suspension will only be implemented after the member has completed the appeal process.

If the member's appeal is denied, the member may file a grievance as provided in the Grievances Policy.

806.4 REQUIREMENTS

806.4.1 PROHIBITED OUTSIDE EMPLOYMENT

The Department reserves the right to deny any request for outside employment that involves (Government Code § 1126):

- (a) The use of department time, facilities, equipment, or supplies.
- (b) The use of the Sierra County Probation Department badge, uniform, or influence for private gain or advantage.
- (c) The member's receipt or acceptance of any money or other consideration for the performance of duties or services that the member would be required or expected to render in the course or hours of employment, appointment, or as a part of regular duties.
- (d) The performance of duties or services that may later be subject directly or indirectly to the control, inspection, review, audit, or enforcement of any other member of this department.
- (e) Demands upon the member's time that would render the performance of duties for this department deficient or substandard.

Outside Employment and Outside Overtime

- (f) Activities that may conflict with any other policy or rule of the Department.

806.4.2 SECURITY AND PROBATION OFFICER OUTSIDE EMPLOYMENT

No member of this department may engage in any outside employment as a probation officer, private security guard, private investigator, or other similar private security position (Penal Code § 70).

806.4.3 DEPARTMENT RESOURCES

Members are prohibited from using any department equipment or resources in the course of, or for the benefit of, any outside employment. This shall include the prohibition against any member using a position with this department to gain access to official records or databases of this department or other agencies.

806.4.4 REVIEW OF FINANCIAL RECORDS

Members approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflicts of interest (Government Code § 3308; Government Code § 1126).

Prior to approving outside employment, the Department may request a member provide personal financial records for review if the Chief Probation Officer determines that a conflict of interest may exist. Failure or refusal by the member to provide such records may result in denial of the outside employment.

If, after approving a request for outside employment, the Department obtains information that a financial conflict of interest exists, the Department may request that the member provide personal financial records for review. Failure or refusal by the member to provide such records may result in revocation or suspension of approval of the outside employment pursuant to this policy.

806.4.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If a member terminates outside employment, the member shall promptly submit written notification of such termination to the Chief Probation Officer through the chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through the procedures set forth in this policy.

Members shall also promptly submit in writing to the Chief Probation Officer any material changes in outside employment, including any change in the number of hours, type of duties, or the demands of any approved outside employment. Members who are uncertain whether a change in outside employment is material are advised to report the change.

806.4.6 LEAVE OR RESTRICTED DUTY STATUS

Members who are placed on leave or other restricted duty status shall inform their immediate supervisors in writing within five days as to whether they intend to continue their outside employment while on such leave or restricted status. The immediate supervisor shall review the duties of the outside employment, along with any related orders (e.g., administrative, medical),

Outside Employment and Outside Overtime

and make a recommendation to the Chief Probation Officer regarding whether such employment should continue.

In the event that the Chief Probation Officer determines that the outside employment should be discontinued, or if the member fails to promptly notify the immediate supervisor of his/her intention regarding outside employment, a notice revoking approval of the outside employment will be forwarded to the member and a copy attached to the original outside employment request form.

Criteria for revoking approval due to leave or restricted duty status include but are not limited to:

- (a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the County's medical professional advisers.
- (b) The outside employment requires performance of the same or similar physical ability as would be required of an on-duty member.
- (c) The member's failure to make timely notice of the member's intention to the supervisor.

When the member returns to full duty with the Sierra County Probation Department, a written request may be submitted to the Chief Probation Officer to approve the outside employment request.

806.5 OUTSIDE OVERTIME

806.5.1 REQUESTS FOR SPECIAL SERVICES

Any private organization, entity, or individual seeking special services (e.g., security, traffic control) from members of this department must submit a written request to the Chief Probation Officer in advance of the desired service. Such services will be assigned, monitored, and compensated through the Department as outside overtime assignments.

- (a) A request for special services during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute will not be approved.
- (b) The requester will be required to enter into an agreement that includes indemnification with the Department prior to approval.

Time spent on the completion of such reports shall be considered part of the outside overtime assignment.

806.5.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Chief Probation Officer, undercover deputies or deputies assigned to covert operations shall not be eligible to work outside overtime in a uniformed or other capacity that could reasonably disclose the deputy's law enforcement status.

Uniforms and Civilian Attire

808.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that uniformed members are readily identifiable to the public through the proper use and wearing of department uniforms, and that the appearance of members who wear civilian attire reflects favorably on the Department.

This policy also addresses the wearing and maintenance of department uniforms, accessories, insignia, patches, and badges; the requirements for members who wear civilian attire; and the authorized use of optional equipment and accessories by members of the Department.

Conflict of Interest

809.1 PURPOSE AND SCOPE

The purpose of this policy is to assist members in recognizing and avoiding potential conflicts of interest, thereby ensuring effective and ethical operating practices on the part of the Sierra County Probation Department.

809.1.1 DEFINITIONS

Definitions related to this policy include:

Conflict of interest - Any actual, perceived, or potential conflict in which it reasonably appears that a member's action, inaction, or decisions are or may be influenced by a personal or business relationship.

809.2 POLICY

Members of the Sierra County Probation Department are expected to conduct themselves with the utmost professional integrity and objectivity. Members will guard against actual or perceived conflicts of interest in order to ensure the fair and equitable treatment of department members and the public, and thereby maintain the trust of the public and other department members.

809.3 PROHIBITIONS

The Department prohibits the following types of personal or business relationships among members (Government Code § 12940):

- (a) Members are prohibited from directly supervising, occupying a position in the line of supervision, or being directly supervised by any other member who is a relative or with whom they are involved in a personal or business relationship.
 1. If circumstances require that such a supervisor/subordinate relationship exist temporarily, the supervisor shall make every reasonable effort to defer matters pertaining to the involved member to an uninvolved supervisor.
 2. When personnel and circumstances permit, the Department will attempt to make every reasonable effort to avoid placing members in such supervisor/subordinate situations. The Department, however, reserves the right to transfer or reassign any member to another position within the same classification to avoid conflicts with any provision of this policy.
- (b) Members are prohibited from participating in, contributing to, or recommending promotions, assignments, performance evaluations, transfers, or other personnel decisions affecting a member who is a relative or with whom they are involved in a personal or business relationship.

Department FTOs and other trainers are prohibited from entering into or maintaining personal or business relationships with any member they are assigned to train until such time as the training has been successfully completed and the person is off probation.

Conflict of Interest

809.4 MEMBER RESPONSIBILITIES

Members shall avoid situations that create a conflict of interest. Members should take reasonable steps to address a perception of a conflict of interest when such a perception is reasonably foreseeable and avoidable (e.g., deferring a decision to an uninvolved member).

Whenever any member is placed in circumstances that would require the member to take enforcement action or provide official information or services to any relative or individual with whom the member is involved in a personal or business relationship, that member shall promptly notify an uninvolved, immediate supervisor.

If no uninvolved supervisor is immediately available, the member shall promptly notify the Chief Probation Officer or the authorized designee to have another uninvolved member either relieve the involved member or, minimally, remain present to witness the action.

809.5 SUPERVISOR RESPONSIBILITIES

Upon being notified of or otherwise becoming aware of any circumstance that could result in or constitute an actual or potential violation of this policy, a supervisor shall take all reasonable steps to promptly mitigate or avoid such violations whenever possible. Supervisors shall also promptly notify the Chief Probation Officer or the authorized designee of such actual or potential violations through the chain of command.

Badges, Patches, and Identification

810.1 PURPOSE AND SCOPE

810.2 POLICY

The Sierra County Probation Department issues each member appropriate identification, which may include a badge, logo, patch, and/or identification card, depending on the member's position within the Department.

810.3 MEMBER RESPONSIBILITIES

Members of the Sierra County Probation Department will use the SCPD badge, logo, patch, and identification card, as well as the likeness of these items, appropriately and professionally. Badges, Patches, and Identification

810.5.2 PERMITTED USE BY EMPLOYEE GROUPS

The likeness of the SCPD badge shall not be used for any purpose without the express authorization of the Chief Probation Officer and shall be subject to the following:

- (a) An authorized employee group may use the likeness of the SCPD badge for merchandise and official employee group business provided it is used in a clear representation of the employee group and not the Sierra County Probation Department. The following modification shall be included:
 1. Any text identifying the Sierra County Probation Department is replaced with the name of the employee group.
 2. A badge number is not included. That portion of the badge may display the acronym of the employee group.

810.6 PATCHES

The Chief Probation Officer shall determine the form of patches authorized for use by the Department. Any request to modify the authorized patches for specialty divisions (e.g., Interagency Task Forces, K-9) should be submitted to the Chief Probation Officer in writing.

Only patches issued by this department are authorized to be displayed or worn by members while on-duty or otherwise acting in an official or authorized capacity.

Members, with the written approval of the Chief Probation Officer, may request additional patches, at their own expense.

810.7 IDENTIFICATION CARDS

All members will be issued an official SCPD identification card bearing the member's name, full-face photograph, member identification number, member's signature, and signature of the Chief Probation Officer or the official seal of the Department. All members shall be in possession of their department-issued identification cards at all times while on-duty or in department facilities.

810.8 BUSINESS CARDS

The Department will supply business cards to those members whose assignments involve frequent interaction with the public or who may require the use of a business card. The only authorized business cards are those issued or approved by the Department and should contain identifying information including but not limited to the member's name, division, badge, or other identification number and contact information (e.g., telephone number, email address).

Members should provide a business card to any member of the public who requests one.

Speech, Expression, and Social Networking

811.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with the use of social networking sites, and provides guidelines for the regulation and balancing of member speech and expression with the needs of the Sierra County Probation Department.

This policy applies to all forms of communication including but not limited to film video, print media, public or private speech, and use of all internet services, including the web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression that is protected under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisors regarding any questions arising from the application or potential application of this policy.

811.2 POLICY

Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of the Sierra County Probation Department. Due to the nature of the work and influence associated with the probation profession, it is necessary that members of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Department will carefully balance the individual member's rights against the needs and interests of the Department when exercising a reasonable degree of control over its members' speech and expression.

811.3 SAFETY

Members should carefully consider the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of Sierra County Probation Department members, such as posting personal information in a public forum or posting a photograph taken with a GPS-enabled camera, can result in compromising a member's home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member, a member's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of a deputy who is working in a specialized assignment or interagency task force.

Speech, Expression, and Social Networking

- Disclosing the address of a fellow department member.
- Otherwise disclosing where another deputy can be located off-duty.

811.4 PROHIBITED SPEECH, EXPRESSION, AND CONDUCT

To meet the safety, performance, and public-trust needs of the Sierra County Probation Department, the following are prohibited unless the speech is otherwise protected (for example, a member speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Department and tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. constitutions.
 2. Expression that demonstrates support for criminal activity.
 3. Participation in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the member as a witness. For example, posting to a website statements or expressions that glorify or endorse dishonesty, unlawful discrimination, or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the members of the Department (e.g., a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape).
- (e) Speech or expression that is contrary to the canons of the Probation Code of Ethics as adopted by the Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video, or other recording obtained or accessible as a result of employment or appointment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief Probation Officer or the authorized designee.
- (g) Posting, transmitting, or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment, or other material that specifically identifies the Sierra County Probation Department on any personal or social networking or other website or web page, without the express authorization of the Chief Probation Officer.
