**SCHEDULE OF SIERRA COUNTY  
FEES AND CHARGES  
BUILDING DEPARTMENT  
SCHEDULE C**

**SERVICE CHARGES & FEES**

Fees for Building Department services and programs shall be charged for all work performed by the County Building Department based on the following schedule of fees or based upon the actual amount of time spent on requested services.

**1. BASE PERMIT APPLICATIONS-ALL TYPES OF CONSTRUCTION**

- a. Building valuation used for computing fees shall be based on the "very good quality" category of construction values attached to Resolution 2005-71 as "Exhibit B" dated March 2005 at \$154.00 per square foot for residential construction; \$55.00 per square for attached garage construction; \$64.00 per square foot for detached garage construction; \$27.00 per square foot for deck construction; and, \$15.00 per square foot for a carport.
- b. Building valuation for all other types of construction shall be based upon the "The International Code Council Bi-annual 'Building Valuation Data'" used with the applicable occupancy group and construction type.
- c. Building fee shall be as shown on Table 1-A of the Uniform Building Code.
- d. Plan check fee shall be 70 % of the computed building fee as computed by the Building Department or in the event an applicant wishes to proceed with plan check immediately, and prior to the total fee calculation, a deposit in the amount determined by the Building Official appropriate to the project, may be made to allow the plan check process to commence. The deposit shall be credited to the computed building permit fee when issued.
- e. Mechanical fee shall be \$50.00 per application
- f. Plumbing fee shall be \$50.00 per application
- g. Electrical fee shall be \$50.00 per application
- h. Energy conservation fee shall be \$100.00 per application
- i. Grading fee shall be a minimum of \$40.00 plus cubic yardage fee as used in the 2001 CBC Appendix 33, Table A-33-A & A-33-B, and \$65.00 per hour for associated other fees for "Regular Grading"; or \$40.00 plus actual billing adjustments on time invoiced by the County Engineer and/or outside consulting plan-check engineer for "engineered grading" based on times spent and invoiced.
- j. Issuance fee shall be \$50.00 for all permits
- k. Planning Department site review (pre-permit issuance requirement) shall be \$50.00 on all permit applications, including occupancy changes, well or septic systems, but does not include any application for a remodel or minor structural modification for which the exterior footprint of the structure does not change.

**SCHEDULE OF SIERRA COUNTY

BUILDING DEPARTMENT  
SCHEDULE C**

- l.** Well construction fee shall be \$50.00 including irrigation well, monitoring well, domestic well, geothermal well or other extraction facility and if electrical or other installations accompany the proposed well, additional fees will apply (this is in addition to County Health Department fees). Repairs involving expansion or replacement shall not require a fee.
- m.** Septic tank fee shall be \$100.00 and shall include new systems, system replacements, and emergency repairs requiring expansion or replacement (this is in addition to County Health Department fees). Repairs not involving expansion or replacement shall not require fees.
- n.** Building sewer fee shall be \$50.00
- o.** Issuance fee shall be \$50 for all permits, except for 1) projects undertaken by Sierra County and 2) solid fuel burning stoves or appliances (ref. SCC 12.04.210)
- p.** SMIP (Strong Motion Instrument/Seismic fee) = \$.10/\$1000. or as required by law.
- q.** Solid Waste disposal fee shall be as determined by Board Resolution
- r.** AB1379 CASp (Certified access specialist program) fee shall be \$4.00 for all building permits.
- s.** BSC (Building Standards Commission) fee shall be assessed at a rate of \$4.00 per \$100,000 in valuation, with appropriated fractions thereof, but not less than \$1.00 for residential and non-residential building permits.

**2. ALTERATIONS/REMODELS/DEMOLITIONS/DAMAGE ABATEMENT**

*(Minor alterations, repairs, replacement of existing equipment or facilities, or minor remodels not involving any structural changes):*

- a.** Mechanical fee shall be \$50.00 per application.
- b.** Plumbing fee shall be \$50.00 per application.
- c.** Electrical fee shall be \$50.00 per application.
- d.** Energy conservation fee shall be \$100.00 per applications.

Alterations and remodels shall have Building and Plan check fees calculated similar to “Base permit Applications” (above), accept that such permit applications shall use the valuation of all labor and materials for the entire scope of work provided by the applicant; provided however that if, in the opinion of the Building Official, the valuation is underestimated on the application, the permit shall be denied, unless the applicant can show detailed estimates to meet the approval of the Building Official, final building permit valuation shall be set by the Building Official (ref., CBC section [A] 109.3).

- e. Demolitions and damage abatements-residential shall be \$150.00 and commercial shall be \$250.00 plus any costs for site review, plan checking (if applicable) issuance and SMIP (State Seismic Impact fee). Solid waste fees shall be paid by the cubic yard per Board Resolution based upon an approved estimate and in advance of disposition. The total fee shall be reconciled between landowner and the County at the completion of the project.
- f. Asbestos Certification shall be \$25.00

**3. MOBILEHOME/MANUFACTURED HOME/MODULAR HOME**

- a. Building permit fee shall be as specified for "base permit requirements" (including foundation) but the building valuation and building fee shall be based on a reduction of 50%, with a minimum fee of \$500.00. Plan check shall be computed at 50% of permit fee.

**4. MISCELLANEOUS SERVICES**

- a. Re-inspection fee shall be \$65.00 per hour (each issued permit allows for one re-inspection without charges) Additional plan reviews in excess of one correction (two [2] plan reviews total on the same application shall be billed at the current full hourly rate for plan review services approved by the Board of Supervisors.
- b. Expired Building Permits:
  - i. Building permits that were issued under the 2013 California Building Standards Code (CBSC) (adopted and effective in 2014) and where the project for which the permit was issued has been partially or fully completed without evidence of completion of all required inspections, may be inspected and brought current at a cost of \$65.00 per hour.
  - ii. Building permits that were issued prior to the 2013 CBSC (prior to the effective date of the code) and where the project for which the permit was issued has been partially or fully completed without evidence of completion of all required inspections, may be inspected and brought current at a cost of \$65.00 per hour. The property owner may be required to bring aspects of the project into conformance with the current adopted and effective version of the CBSC (California Building Standards Code) as may be required by the Building Official.

Fees for Planning Department services and programs, including without limitation the filing and processing of applications for use permits, zone variances, zone changes, subdivision maps, lot line adjustments and other entitlements for the development and use of real property, and for the development and processing of environmental documentation pertaining to any such application shall be charged to the applicant as follows:

1. Fees shall be charged for all work performed by the County based on the actual amount of time spent on each application, plus recovery of actual associated costs including but not limited to postage, publication expenses, and vendor bills. Applications processing shall only occur after a deposit is made to the Department based on the estimate of costs made by the Department to properly process an application. Deposits are based on the estimate of average costs for the processing of similar applications. The actual costs of processing each individual application will be appropriately tracked by the Planning Department and costs for all work and expenses incurred by the County, including without limitation, time spent by Planning Department staff, the Planning Director, Environmental Health personnel, the County Engineer/Surveyor, any required independent consultants, County Counsel (and/or other special-assigned attorneys), and for preparation of environmental documentation, public hearing notices and other project related costs.
2. All applications received by the Planning Department shall be accompanied by a non-refundable application review fee of \$100.00 which shall cover the costs for the Department to review a submitted application for completeness, allow the Department to determine the appropriate deposit for further application processing, and shall afford the Department the ability to convey any issues or concerns and a project processing timetable to the applicant in writing.
3. The Planning Department as part of its written response as outlined above, shall provide a "request for deposit" which shall be the estimated reasonable cost of processing an application, administering a program, or providing requested service. A deposit shall be required for all Planning Department applications, including but not limited to the following type of activity:

4. The Planning Department shall not commence further processing of any application nor incur any further expenses unless and until the requested deposit has been provided. No application shall be deemed as complete until the applicant provides the deposit in the amount requested by the Planning Department. The applicant shall be advised that they will be responsible for all costs incurred in excess of the deposit.

5. For extraordinary projects needs that exceed the initial deposits, the Planning Department shall account for costs of processing individual applications and /or service requests, based on the hourly rate, including overhead, in the amount of \$65.00 per hour. Cost accounting for staff time shall be based on the time spent in quarter hour increments.

6. In the event that it is determined that the costs charged against any project or service request exceeds the amount of the deposit then remaining, the Planning Department shall promptly notify the applicant in writing of the amount that will be necessary to continue and/or complete the processing or for the providing the service. The processing of the application or request for service shall be suspended if the applicant fails to make such additional deposit of funds with the Planning Department within ten days of the date of the written notice by the Planning Department.

7. Prior to recordation of a project (or in the case of a project that does not require recordation, following the satisfaction of all other relevant Conditions of Approval), the Planning Department shall account for all costs incurred by the County to date in order to ensure that all fees and costs have and will be paid by the funds deposited with the County. If there are insufficient funds remaining on deposit to cover all expenses the applicant shall be immediately notified that an additional deposit is required prior to finalizing the project. Failure to make the final deposit of funds within ten days of the date of the written notice shall result in the suspension of the processing of the project or provision of recordation or any requested service or associated permit, license, entitlement, or use until the deposit is provided. If the amount needed to be collected is part of an application for any permit, the County may impose the final payment and reconciliation of fees be a condition of any permit sought by an applicant or landowner
