Budgeted? Yes No

Revenue	\$19,760.00	Mental Health and Mental Health Services Act
Expenses	\$19,760.00	Mental Health and Mental Health Services Act
Difference	0	

Background Information: This agreement has increased by \$19,760.00. This agreement was increased to ensure that services are still being provided due to a staff and contractor resignation. This agreement allows Sierra County to meet Network Adequacy standards and to have the specialized mental health services available on both sides of the County serving our Medi-Cal, uninsured, school-aged minors, transitional aged youth and their families. County has made efforts to replace the contractor on the west side of the county to no avail.

Potential Issues to consider: None

Alternatives or Impacts of disapproval: Sierra County would not meet the network adequacy standards set forth by the State.
