VOTE BY MAIL BALLOT INSTRUCTIONS

MARK YOUR BALLOT

Completely darken in the oval to the left of your choice. Use only a blue or black ballpoint ink pen. Do not use red ink pens, Sharpies, markers, pencils or any other type of pen. **Do not sign your name** on your ballot, write your initials, or write any other words or marks on your voted ballot.

CHECK YOUR BALLOT CAREFULLY

If you make a mistake, write "no" next to the incorrect oval and darken the correct oval.

If you vote for more candidates than the number of candidates permitted for a particular office race, it is called an overvote; your vote will not count for that candidate.

If you spoil your ballot and wish another sent to you, place the spoiled ballot in the return envelope and immediately return it to the Sierra County Clerk's Office. Be sure to check the box marked "spoiled" on the return envelope and sign your name in the space provided.

Don't vote for too many

Vote for the number allowed

Always darken the box, even on a write-in vote

SEAL YOUR BALLOT

Place your ballot in the return envelope and seal. Sign and date on the line provided on the back of the return envelope. Your ballot cannot be counted unless you sign the return envelope in your own handwriting. No one other than you may sign your return envelope. If you are unable to sign your return envelope, you may make a mark and have a witness sign.

RETURNING YOUR BALLOT

Return your ballot by mail. Vote by mail ballots will be counted if postmarked on or before Election Day and received by the Sierra County Clerk's Office no later than 3 days after Election Day. Return your ballot in person. STATE SENATOR, DISTRICT 1

Brian Dahle

Age: 53

Occupation: Farmer/Businessman/Assemblyman

I am a farmer, business owner and citizen legislator who is fighting to improve the lives of my Sierra County neighbors.

I stood up to the special interests to make healthcare more affordable by passing bipartisan legislation to end the gouging of hospital patients with surprise out-of-networks bills, improving preventative health care and holding pharmaceutical companies accountable for rising drug prices

Garnering support for career training and after-school programs improved Sierra County educational opportunities.

The California Taxpayers Association gave me a 100% rating because I helped defeat \$29 billion in new taxes, protected Proposition 13 and kept property taxes down.

I held agencies accountable for wildfires, am working to prevent future wildfire disasters in the Sierra and am helping fire victims recover.

Leading the fight against sanctuary cities that protect illegal immigrants from criminal prosecution and pushing to reimburse California for millions spent incarcerating illegal immigrant criminals will make California safer and save tax dollars

As your Senator, I'll continue fighting for Sierra County taxpayers, small businesses and schools, as well as the tourism industry.

I made the best decision of my life when I married Megan. Together, we have three wonderful children and will work as hard for you as I do for my family.

The California Professional Firefighters, California Highway Patrolmen's Association, Sheriff Mike Fisher, and Sierra County Supervisors Lee Adams, Peter Huebner and Paul Roen support me. I hope you do, too.

Please call me personally at (530) 251-3888 or visit www.briandahle.com.

Kevin Kiley

Occupation: State Representative/Small Business Owner

As a former Deputy Attorney General and Prosecutor of violent felons, I've written and championed tough new laws to protect you and your family. I strongly oppose amnesty and sanctuary laws that only encourage crime and illegal immigration. I am the only candidate endorsed by former Governor Pete Wilson.

Sacramento special interests are spending hundreds of thousands to defeat me because I want to end political perks and I wrote the bill to shut down their secret DMV office that only serves legislators and lobbyists.

Liberals and special interests are trying to dismantle Prop. 13 and even tax our water. Sierra County taxpayers need a strong voice in the Senate. I will be that voice. I'm proud to be the only candidate with a perfect 100% rating from the Howard Jarvis Taxpayers Association.

As a small businessman and co-owner of a cattle company, I understand how government fees, red tape and regulations harm small-business owners, farmers and ranchers. I will fight to protect North State water, improve forest management and fire protection.

My background and experience includes: State Assemblyman; cattle company co-owner; Deputy Attorney General and criminal prosecutor. I was raised in our district and attended our public schools.

I will proudly represent Sierra County in the Legislature. I'm endorsed by a county taxpayer association, three North State County Sheriffs and District Attorneys and over 20 City Council members from our district. I'd be honored to receive your vote and pledge to represent you with integrity. Please visit www.ElectKevinKiley.com.
