BOARD OF SUPERVISORS, COUNTY OF SIERRA

STATE OF CALIFORNIA

ORDINANCE NO. _____

AN ORDINANCE AMENDING SECTIONS 2.040.020, .030, .040, .050, AND .060 OF THE SIERRA COUNTY CODE PERTAINING TO SUPERVISORIAL DISTRICT BOUNDARIES

THE BOARD OF SUPERVISORS OF THE COUNTY OF SIERRA, STATE OF CALIFORNIA, ORDAINS AS FOLLOWS

ORDINANCE SECTION ONE:

Legislative Findings by the Board of Supervisors (uncodified)

Pursuant to the provisions of California Elections Code Sections 21500 – 21506, following each decennial federal census, and using that census as a basis, the Board of Supervisors is required to adjust the boundaries of the supervisorial districts of the county so that the districts shall be as nearly equal in population as may be and to comply with the applicable provisions of federal law. In establishing the boundaries of the districts, the Board is allowed to consider the following factors: a) topography, b) geography, c) cohesiveness, contiguity, integrity, and compactness of territory, and d) community of interests of the districts.

In adopting this ordinance, the Board finds and declares that it has established the boundaries of the five supervisorial districts with primary emphasis being on maintaining, as nearly as practical, a deviation of the population in each district of no more than ten percent, from the lowest to the highest district in terms of population. The Board further finds and declares that in establishing the boundaries of the supervisorial districts it has considered maintain the cohesiveness, contiguity, integrity, and compactness of the separate communities that exist in the County and to the common interests of these communities.

Based on the foregoing considerations the Board has determined to establish the boundaries for the five supervisorial boundaries as set forth in this Ordinance.

BOARD OF SUPERVISORS, COUNTY OF SIERRA, STATE OF CALIFORNIA

ORDINANCE NO. _____

AN ORDINANCE AMENDING SECTIONS 2.040.020, .030, .040, .050, AND .060 OF THE SIERRA COUNTY CODE PERTAINING TO SUPERVISORIAL DISTRICT BOUNDARIES

THE BOARD OF SUPERVISORS OF THE COUNTY OF SIERRA, STATE OF CALIFORNIA, ORDAINS AS FOLLOWS

ORDINANCE SECTION ONE:

Legislative Findings by the Board of Supervisors (uncodified)

Pursuant to the provisions of California Elections Code Sections 21500 – 21506, following each decennial federal census, and using that census as a basis, the Board of Supervisors is required to adjust the boundaries of the supervisorial districts of the county so that the districts shall be as nearly equal in population as may be and to comply with the applicable provisions of federal law. In establishing the boundaries of the districts, the Board is allowed to consider the following factors: a) topography, b) geography, c) cohesiveness, contiguity, integrity, and compactness of territory, and d) community of interests of the districts.

In adopting this ordinance, the Board finds and declares that it has established the boundaries of the five supervisorial districts with primary emphasis being on maintaining, as nearly as practical, a deviation of the population in each district of no more than ten percent, from the lowest to the highest district in terms of population. The Board further finds and declares that in establishing the boundaries of the supervisorial districts it has considered maintain the cohesiveness, contiguity, integrity, and compactness of the separate communities that exist in the County and to the common interests of these communities.

Based on the foregoing considerations the Board has determined to establish the boundaries for the five supervisorial boundaries as set forth in this Ordinance.
